A LEGACY OF VISIONARY LEADERSHIP

2011 HONOR ROLL OF DONORS

ON THE COVER

Dana-Farber Cancer Institute lost a visionary leader in 2011 when Institute President Emeritus and Trustee Baruj Benacerraf, MD, passed away at age 90. A distinguished immunologist and pathologist whose groundbreaking research earned him a Nobel Laureate in Medicine, Benacerraf

also built a tremendous community of supporters. This publication acknowledges our generous donors, who honor Benacerraf's legacy through their steadfast commitment to advancing the lifesaving mission of Dana-Farber.

A MESSAGE FROM THE PRESIDENT & CEO OF DANA-FARBER CANCER INSTITUTE

Dear Friends,

Baruj Benacerraf, MD, Dana-Farber President Emeritus and Trustee who passed away in August 2011, leaves us a great legacy of leadership. His ability to attract top scientific talent, cultivate a dedicated community of supporters, and expand the physical footprint of Dana-Farber set the Institute on a path of excellence. Equally important, his discoveries about the immune system and the basic processes of diseases changed the course of medical research.

This legacy of visionary science has resulted today in a new landscape for cancer medicine, one where we are increasingly able to provide the best possible treatment for each individual patient. All of us at the Institute appreciate your support of Dana-Farber at this critical juncture.

We started 2011 by opening the doors of our new Yawkey Center for Cancer Care. This building sets a new standard for cancer care and embodies what makes Dana-Farber special: an unwavering commitment to innovation and discovery while providing an exceptional level of compassionate care for our patients.

In March, the FDA approved the use of a new drug, ipilimumab, which was shown effective for patients with advanced melanoma in a national clinical study led by Dana-Farber's F. Stephen Hodi, MD. The success of this new class of drugs holds out great promise to make an impact for patients everywhere by moving us closer toward the successful delivery of personalized medicine.

August brought the launch of *Profile*, our comprehensive cancer research study, which aims to routinely and reliably detect cancer-causing genetic mutations in tumor samples, so that the most effective treatments can be given to patients based on their genetic profile. This is the critical first step in delivering personalized medicine on a very large scale, and we remain grateful for your partnership in these efforts.

These are just a few of the ways that Dana-Farber pushes forward, unrelenting in our commitment to conquering cancer and determined to continue making the advances that represent the promise of a brighter future for our patients and their families. Your passion, leadership, and generosity help the Institute remain a leader in groundbreaking research and innovative care. Simply put, we could not do it without you and for that, we are profoundly grateful.

Thank you for the role that you play in keeping us at the forefront.

Sincerely,

A handwritten signature in black ink that reads "Edward J. Benz Jr., MD".

Edward J. Benz Jr., MD

WELCOME

A MESSAGE FROM THE SENIOR VICE PRESIDENT FOR DEVELOPMENT

Dear Friends,

When you are faced with a cancer diagnosis, there is a sense of comfort that comes from knowing you are not alone. Whether you join an online forum to connect with others facing the same disease, rely on a core group of loved ones to come with you to your appointments, or share your journey with a counselor or trusted friend, as a patient, you can find strength in leaning on others.

As President of Dana-Farber from 1980 to 1992, Baruj Benacerraf, MD, possessed a passion for patients and families that inspired a strong donor base whose generosity says to those battling this insidious disease: "You are not alone." Although Dr. Benacerraf passed away in 2011, his work as a visionary in the field of immunology, coupled with his extraordinary leadership, built a robust community of supporters who continue to ensure the Institute's financial future today.

As members of this growing community, your message to patients and their families was heard loud and clear in 2011. Your support poured in with an impressive 347,000 gifts, including 112,000 new donors and 16 gifts of \$1 million or more. In total, a stunning \$168 million was raised to advance the Institute's mission and sustain the work of our pioneering physician-scientists, ultimately providing strength, encouragement, and hope to our patients and their families.

Please know that the Dana-Farber team—doctors, scientists, nurses, administrators, faculty, and staff—shares my heartfelt pride in having you as part of our community.

Thank you for helping us make measurable progress in the fight against cancer.

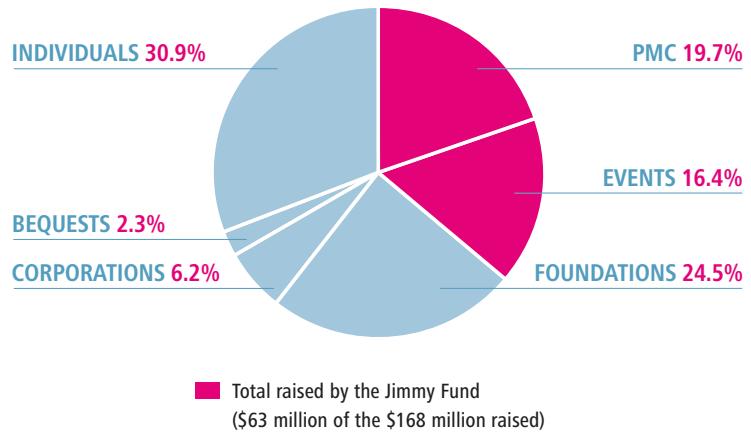

Sincerely,

Susan S. Paresky

Because of you, our patients
know they are not alone
in the fight against cancer.

A NOTE TO OUR SUPPORTERS

We have carefully reviewed all gifts made to Dana-Farber Cancer Institute, the Jimmy Fund, the Pan-Massachusetts Challenge (PMC), and the Friends of Dana-Farber Cancer Institute to ensure that each gift is properly recognized. A description of the criteria for inclusion precedes each section of the pages that follow. The 2011 Honor Roll of Donors includes gifts made between October 1, 2010, and September 30, 2011.

Occasionally, despite our best efforts, errors occur. If we have made mistakes, we sincerely apologize. Please alert us to such errors by contacting the Division of Development and the Jimmy Fund at 617-632-3019 or 800-52-JIMMY (54669) or 10 Brookline Place West, 6th Floor, Brookline, MA 02445-7226.

Please note that we make every effort to follow donors' preferences when compiling the *Honor Roll of Donors*. If you would prefer to have your name listed differently in the future, please let us know.

WELCOME

You are part of a powerful community that, together, is making a difference.

A MESSAGE FROM THE TRUSTEE DEVELOPMENT COMMITTEE CO-CHAIRS

Dear Friends,

Each year we are struck by the power of Dana-Farber's devoted community of donors. On behalf of the Board of Trustees, we thank you for demonstrating again and again your commitment to our lifesaving mission in such a wide variety of ways. Your efforts—whether making an annual gift, running 26.2 miles or biking 190, playing a round of golf, supporting an investigator's research, or including Dana-Farber in your estate plans—are all critical to the Institute's continued progress against cancer and its related diseases.

Fundraising highlights of 2011 include:

- The incredible support of our loyal friends in Palm Beach, Fla., who marked their 20th season by raising an outstanding \$2.3 million—a three-year high;
- A bold commitment to improving healthcare from Institute Trustee Robert Kraft, his late wife, Myra, and their children, Jonathan, Daniel, Josh, and David, which directs \$5 million to support Dana-Farber's community cancer programs and women's cancer research;
- The 5,200 intrepid riders who completed the Pan-Massachusetts Challenge to raise an astonishing \$35 million, in the nation's most successful athletic fundraising event;
- The innovative vision of Institute Trustee Arthur Gelb, who with his wife Linda gave \$1 million to establish The Bridge Project, an unprecedented partnership with MIT's Koch Institute for Integrative Cancer Research;
- A record-breaking year for Rally Against Cancer,SM our Boston Red Sox-themed "dress-down day" held at more than 650 schools and companies that raised more than \$572,000—nearly doubling last year in both dollars and participation;
- The naming by Suzanne and Robert J. Tomsich, with their gift of \$1 million, of the Gallery that houses our unique and inspiring Gene Display at the Yawkey Center for Cancer Care;
- The dedicated, all-volunteer Friends of Dana-Farber Cancer Institute, which raised more than \$2 million in their 35th year, nearly doubling last year's success;
- The quiet but remarkable bequest by the late Joan S. Batchelder—the third largest in Dana-Farber history—designating the Institute as the beneficiary of her retirement fund.

Dana-Farber continues to do extraordinary work, bolstered by the hundreds of thousands of individuals, corporations, foundations, and organizations who help us transform cancer research and care. Your time, generosity, and commitment are truly making a difference. Thank you.

Sincerely,

Charles A. Dana III

Richard P. Morse

INSTITUTE BENEFACTORS

Dana-Farber is able to maintain its leadership position at the forefront of cancer science and medicine through the sustained support of our most generous donors. The Institute gratefully recognizes these individuals, families, foundations, corporations, and organizations who give at a leadership level, whether through one-time or ongoing commitments.

AESCLEPIAN SOCIETY

Founded in 2003, the Aesclepius Society honors the most generous supporters of Dana-Farber Cancer Institute and the Jimmy Fund, whose exceptional one-time commitments of \$1 million or more help to shape the future of the Institute. The society is named for Aesclepius, the Roman god of medicine and healing, in whose footsteps Dana-Farber scientists and physicians have walked for 65 years. Aesclepius Society members enjoy a lifetime membership.

NEW COMMITMENTS

The Institute gives special mention to those individuals, corporations, foundations, organizations, and trusts who lead the way in Dana-Farber's fight against cancer. These extremely generous and meaningful gifts have launched new initiatives in patient care and cancer research, inspired new ideas and programs, and accelerated the pace of discovery. This exceptional philanthropy is not only deeply appreciated, it is also critical to our success—and to a future without cancer.

This list acknowledges those who made new gifts or pledges totaling \$50,000 or more in fiscal year 2011. Pledge payments of \$1,500 or more are listed in the Individuals and Corporations, Foundations, Organizations & Trusts sections.

INDIVIDUALS

Everyone can make a difference, and Dana-Farber's friends and supporters do so every day. Your generosity sustains the daily life of the Institute, allows physicians and caregivers to provide patients and families with the most advanced cancer therapies and support available, and encourages scientists to explore new ideas and discoveries.

The following pages acknowledge the individuals and families who made outright gifts and/or pledge payments of \$1,500 or more in fiscal year 2011.

The Dana-Farber President's Circle is a giving society that recognizes the steadfast commitment of Institute supporters who have made annual gifts totaling \$1,500 or more. By making a yearly commitment at this level, President's Circle members lead by example, and their generosity translates into initiatives that directly support presidential and Institute priorities. In 2011, more than 1,300 members helped sustain and strengthen the Institute's lifesaving work, providing a constant stream of funding that helps shape Dana-Farber's future over time.

President's Circle donors John C. Driscoll Jr. (far left) and his wife Michelle (far right) with (from left) Mark McKeon, Dana-Farber Assistant Director of Annual Giving Colleen Gleason-Epple, and sons Patrick and John Driscoll

Jennifer Rotman with her father, President's Circle donor Phillips C. Cooke, and her sons Sam and Matt

Representing The Mill Foundation for Kids, a President's Circle donor, are (from left) Kevin Hubert, Mike Hamlin, Joe Cofrancesco, and Peter Borla

TRUSTEE GIVING

Gifts from Institute Trustees provide vital support for Dana-Farber, paving the way for scientific discovery and compassionate care. In 2011, 88 percent of our Board members generously contributed a total of more than \$39 million to advance our lifesaving mission. These gifts take many forms: Trustees have established endowments, named funds, lectureships, and professorships. They have named space in the Yawkey Center for Cancer Care, and genes in the Gene Display in the Robert J. Tomsich Family Gallery. Members of the Board demonstrate the importance of unrestricted giving by supporting the Trustee Annual Fund, and the benefits of planned giving by including Dana-Farber in their estate plans. The current Board includes many members of the Aesclepius and Benacerraf societies, who have made significant gifts at a leadership level to secure the Institute's future.

Our Trustees inspire others through leadership roles across the Institute. In addition to their work on Board and Institute committees, they serve on the President's Visiting Committees, the Susan F. Smith Center for Women's Cancers Executive Council, the Dana-Farber Leadership Council, and Jimmy Fund Councils. They host fundraising events, from intimate evenings in their homes to the Institute's gala Palm Beach season. And they host our Chief Scientific Officer Forums, providing thought-provoking discussions for the Dana-Farber community.

Our Trustees actively participate in a wide variety of Dana-Farber and Jimmy Fund events, to raise critical funds for the Institute. Trustees run the Boston Marathon® on the Dana-Farber Marathon Challenge team, bike across the state in the Pan-Massachusetts Challenge®, walk in the Boston Marathon® Jimmy Fund Walk, and cast lines in the Joe Cronin Memorial Fishing Tournament. They host cultural events and golf tournaments. And one brave Trustee even swims Boston Harbor, all in the name of conquering cancer.

The depth and breadth of our Trustees' commitment to Dana-Farber and the Jimmy Fund sends a powerful message to our community of supporters, that we are all in this fight together.

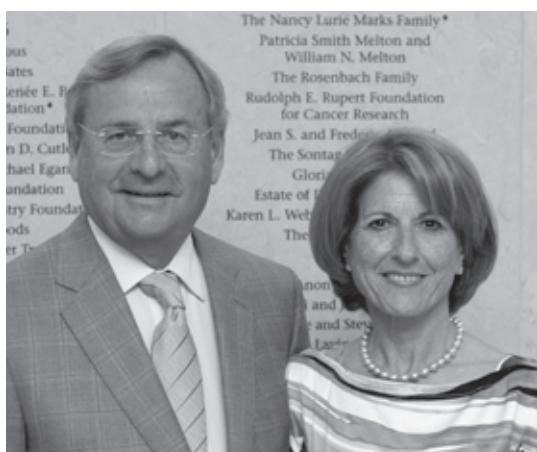

Institute Trustee Stephen B. Kay, chairman of the Board's Investment Committee, and his wife Lisbeth L. Tarlow (above) host an annual evening of chamber music to raise unrestricted funds for Dana-Farber

Institute Trustee Nancy Gibson ran with the 2011 Dana-Farber Marathon Challenge team and co-chairs the Visiting Committee for the Jimmy Fund. With her husband Craig, above, she supports the research of Chief of Staff Stephen E. Sallan, MD

Institute Trustee Josh Bekenstein (left), who became chairman of the Board in January 2011, and Institute Trustee Larry Lucchino co-chaired the recently completed *Mission Possible* Campaign and hosted the Campaign Celebration in April 2011

Institute Trustee Gary L. Countryman, above with his wife Rina, served as chairman of the Board from 1995 to 2011 and is a member of the Aesclepius Society

Institute Trustee Dozier Gardner served as chairman of the Board from 1981 to 1985 and, with his wife Sandy, co-chaired the Dana-Farber Society from 1998 to 2009

TRUSTEE GIVING

Trustee Annual Fund Co-chairs Jim Rappaport and Jean Sharf

Institute Trustee Richard K. Lubin, Institute treasurer and chairman of the Board's Finance Committee, and his wife Nancy (above) named space in the Yawkey Center for Cancer Care

Institute Trustee Steven Koppel, chair of the Dana-Farber Marathon Challenge (DFMC) Board, helped the 2011 DFMC team raise nearly \$4.6 million in the 115th Boston Marathon

TRUSTEE ANNUAL FUND

The Trustee Annual Fund provides a dependable source of vital, flexible funding that is directed where it is needed most—from promising clinical trials to patient services. The year 2011 was a record-breaking one for the Trustee Annual Fund, as Trustees generously contributed more than \$1 million.

CORPORATIONS, FOUNDATIONS, ORGANIZATIONS & TRUSTS

Dana-Farber's cutting-edge research and first-class patient care has earned the support of corporations, foundations, organizations, and trusts from throughout the nation and around the world. These gifts take many forms—from grants and sponsorships to matching gifts and in-kind contributions—and help to propel the fight against cancer. This steadfast generosity is helping the Institute forge a new future for cancer patients and their families.

The following pages acknowledge the many corporations, foundations, organizations, and trusts that made outright gifts and/or pledge payments of \$1,500 or more in fiscal year 2011.

CORPORATE PROGRAMS

Many corporations choose to partner with Dana-Farber and the Jimmy Fund to raise money for cancer research and patient care while marketing their brands and services. The following pages feature corporate partners who, through their promotional programs, collectively contributed more than \$10 million in fiscal year 2011. Our corporate partners are also listed in the Corporations, Foundations, Organizations & Trusts section at the appropriate giving level.

HYUNDAI Hyundai Motor America has supported the Jimmy Fund for more than a decade through a variety of unique fundraising programs, and in 2011 celebrated its ninth consecutive year as the presenting sponsor of the Boston Marathon® Jimmy Fund Walk. Combined with the automobile manufacturer's practice of sharing funds from auto sales in its dealerships nationwide, Hyundai contributed more than \$675,000 for cancer research and patient care at Dana-Farber this year, and nearly \$7.7 million since 1998.

In 2011, HomeGoods kicked off its second decade of support for Dana-Farber on a high note—raising more than \$505,000 through its "Help Families Fight Cancer" promotion, and bringing the program's cumulative total to more than \$2.5 million. The campaign asked patrons to give \$1, \$5, or \$10 to the Jimmy Fund at registers in 218 participating HomeGoods stores, which were adorned with colorful signage displaying Jimmy Fund Clinic patient artwork. HomeGoods also extended its commitment to the Jimmy Fund beyond store walls again this year, by sponsoring refueling stations at the Boston Marathon Jimmy Fund Walk.

Dunkin' Donuts has a long history of support for Dana-Farber. For the past 14 years, Northeast franchisees have hosted the Dunkin' Donuts George Mandell Memorial Golf Tournament to benefit the Jimmy Fund, and this year, Dunkin' Donuts offered its first in-store promotion, "Cups to Conquer Cancer." Customers gave \$1 at the register to the Jimmy Fund and The Dunkin' Donuts & Baskin-Robbins Community Foundation in exchange for a pin-up to personalize and hang in the store. Cups to Conquer Cancer raised more than \$75,000 for Dana-Farber and the Jimmy Fund, bringing the total for these two programs to more than \$575,000 in 2011, and nearly \$9 million since 1998.

CORPORATE PROGRAMS

A loyal corporate partner of long standing, Stop & Shop supports the Jimmy Fund through a variety of events and programs. In the 21st year of its Triple Winner Game, Stop & Shop associates, suppliers, and customers gave \$1 at checkout to receive promotion cards containing great prizes, raising \$2.5 million for the Stop & Shop Family Pediatric Brain Tumor Clinic at Dana-Farber. The Stop & Shop/Donovan-Carlson Memorial Jimmy Fund Golf Classic, Jimmy Fund Golf's fourth largest tournament, raised \$415,000 in its 20th year. Stop & Shop is also a longtime sponsor of the Boston Marathon® Jimmy Fund Walk, providing food for walkers and volunteers. Since 1991, Stop & Shop has raised more than \$52 million for Dana-Farber.

The D'Angelo Grilled Sandwiches "Great Savings, Greater Cause" promotion completed its third year and raised more than \$90,000 in support of adult and pediatric cancer research and care at Dana-Farber. In exchange for giving \$1 to the Jimmy Fund, customers received a coupon booklet filled with more than \$20 in savings, redeemable at D'Angelo, Walgreens, The Paper Store, Olympia Sports, the Yawkey Way Store, and iParty. To date, D'Angelo has raised more than \$270,000 for Dana-Farber and the Jimmy Fund.

Since 2000, Taco Bell and YUM! brand restaurants have passionately supported the fight against cancer at Dana-Farber. This year, The Paper Store joined Taco Bell, KFC, and Pizza Hut for the Strike Out Cancer promotion, asking patrons at more than 230 locations throughout New England to give \$1, \$3, or \$5 to the Jimmy Fund and receive a baseball pin-up

for display in the store or restaurant. This year's program raised more than \$205,000, bringing Taco Bell's and Strike Out Cancer's lifetime total to more than \$1.3 million.

A Chance For Kids® completed its 12th year by raising more than \$940,000 to combat pediatric cancers and adding Walgreens as a new partner. The program was created in 2000 as a partnership between the Jimmy Fund and BURGER KING®, and Olympia Sports joined the program in 2008.

In exchange for giving \$1 to the Jimmy Fund at the register, customers receive a promotion card containing a guaranteed prize—showing that everyone wins when they support Dana-Farber and the Jimmy Fund's fight against cancer in children and teenagers. Since its inception, A Chance for Kids has raised more than \$10 million for the Jimmy Fund.

BJ's Wholesale Club, Inc., has supported the Jimmy Fund for more than a decade. Since 2002, when the chain created its Vendor Partners Program, the BJ's family of vendors has rallied to collectively contribute critical funds to Dana-Farber's Susan F. Smith Center for Women's Cancers. In 2011, this program raised more than \$700,000 for promising research in women's cancers, bringing the cumulative total to more than \$4.7 million.

For 62 years, movie lovers have supported Dana-Farber's lifesaving mission through the Jimmy Fund/Variety Children's Charity Theatre Collections. Throughout June and July 2011, visitors to participating National Amusements theatres in Connecticut, Massachusetts, New Jersey, New York, Ohio, and Rhode Island gave generously when volunteers passed the Jimmy Fund canisters down the aisle, contributing more than \$600,000. This summer's total included a \$125,000 grant from the Regal Entertainment Group. As the Jimmy Fund's longest-running fundraiser, Theatre Collections has been collecting hope and fighting cancer with gifts totaling more than \$27 million since 1949.

CORPORATE PROGRAMS

In 2002, the Jimmy Fund partnered with WEEI Sports Radio Network to produce the WEEI Jimmy Fund Radiothon live from

Fenway Park, and in 2003, New England Sports Network joined the team. This year, the 10th anniversary broadcast of the WEEI/NESN Jimmy Fund Radio-Telethon took place Aug. 30 and 31, over the span of 36 hours and two Boston Red Sox games. The event featured emotional and inspiring stories from Dana-Farber patients, doctors, researchers, and nurses, as well as professional athletes. Generous supporters from all 50 states made gifts via phone, web, and text message, raising more than \$3.4 million for Dana-Farber and bringing the Radio-Telethon's 10-year total to more than \$28 million.

Jimmy Fund Co-Captains and Red Sox pitchers Clay Buchholz (left) and Tim Wakefield were among the many players and celebrities who joined patients, families, doctors, nurses, and researchers who told their stories of hope, care, and scientific discovery during the 2011 WEEI/NESN Jimmy Fund Radio-Telethon

Surveys in 2011 showed the highest patient/family satisfaction rate for adult and pediatric patients at Dana-Farber in eight years.

Great Meal. Great Deal.

The Ninety-Nine Restaurants launched one of the Jimmy Fund's newest corporate programs in 2011.

Each Ninety-Nine restaurant location asked patrons to add \$1 to their check as a gift to the Jimmy Fund, and patrons were eager to help—the promotion raised more than \$105,000 in its first year. Combined with the fundraising efforts of its employees' Team Lanzoni, which runs the Falmouth Road Race and rides the Pan-Massachusetts Challenge in memory of Regional Vice President David Lanzoni, The Ninety-Nine Restaurants raised a total of \$345,000 for Dana-Farber and the Jimmy Fund in 2011, bringing their 5-year total to more than \$550,000.

PLANNED GIFTS

Planned gifts represent hope for the future. Those who make a planned gift to Dana-Farber combine their financial goals and philanthropic intent to support the Institute for years to come. There are many ways to make a planned gift, such as naming Dana-Farber in a will or trust, or as a beneficiary of a life insurance policy or retirement plan assets; or establishing a life-income arrangement, such as a charitable gift annuity or charitable remainder trust. Planned gifts can also be funded using appreciated securities or real estate, often providing tax benefits to the donor.

The following list includes realized bequests and other planned gifts of \$1,500 or more received in fiscal year 2011.

DANA-FARBER SOCIETY

This year marked the 21st anniversary of the Dana-Farber Society, a group of Institute supporters who have chosen to include Dana-Farber, the Jimmy Fund, or Friends of Dana-Farber Cancer Institute in their estate plans. The support provided by the more than 670 Society members allows Dana-Farber to further its mission to conquer cancer while planning for its future.

In June, members attended the annual Dana-Farber Society dinner hosted by Society Co-chairs Barbara and Jim Sadowsky at the Yawkey Center for Cancer Care, the Institute's new state-of-the-art clinical care building. The event's featured speaker, Marlene A. Nusbaum, PhD, a breast cancer survivor and leader in the Yawkey Center building project, shared her experience as a member of the Patient and Family Advisory Council in a talk that truly made the building come alive.

The following list includes members of the Dana-Farber Society.

GENE DISPLAY IN THE TOMSICH FAMILY GALLERY

The Gene Display, located in the Robert J. Tomsich Family Gallery at the Yawkey Center for Cancer Care, is a dynamic representation of a microarray, an innovative technology that provides Dana-Farber physician-scientists with genetic information that leads us to life-saving cancer treatments. Each "gene" in the display can be inscribed in honor or memory of a loved one or caregiver, or with a personal message of hope. Generous donors have named more than 450 genes since 2008, providing more than \$2 million in funding for the Yawkey Center for Cancer Care.

For more information about our award-winning Gene Display, or to name a gene, please contact Emily Lindberg at 617-632-8830 or visit NameAGene.org.

Donors who have named genes in fiscal years 2008 through 2011 (October 1, 2007 – September 30, 2011) are listed below.

NAMED FUNDS

Gifts that name funds may be inspired by the courage exhibited by patients, the skill and compassion shown by caregivers, or the innovative research being conducted by physician-scientists. Funds can be set up as current-use, to help meet immediate, critical needs, or endowed funds that last forever, adding a permanent legacy.

Both current-use and endowed funds may be unrestricted, providing flexible support where it is needed most, or restricted to a specific research initiative, patient care program, or disease area. Current-use funds may be established with a minimum gift of \$100,000 and endowed funds with a gift of \$250,000 or more.

The following list recognizes active named funds at the Institute, grouped by fund type. Those established in fiscal year 2011 are listed first with a description of their purpose.

PROFESSORSHIPS

A professorship at Dana-Farber and Harvard Medical School is the pinnacle of academic achievement. These permanent funds underwrite a prestigious faculty chair at both world-renowned institutions. Endowed professorships may be established with a gift of \$3.3 million.

Previously Established Professorships

Baruj Benacerraf, MD, Professorship in Pathology
Anne E. Dyson Professorship in Women's Cancers
Margaret M. Dyson Professorship in Pediatrics
Sidney Farber Professorship in Pathology
Emil Frei III, MD, Professorship in Genetics and Medicine

LEADERSHIP COMMITTEES

Dana-Farber is fortunate to have a community of supporters who demonstrate their commitment by learning, advising, and raising vital funds to fuel the Institute's research, care, and outreach initiatives. The hundreds of individuals who sit on these leadership committees tirelessly volunteer their time, energy, and passion to one all-important cause: turning the tide against cancer.

VISITING COMMITTEES

Dana-Farber's eight prestigious Visiting Committees are appointed by the President, chaired by Trustees, and include leaders in business, academia, and the community. Members convene annually to participate in a series of presentations and discussions highlighting both progress and challenges on a variety of mission-critical Institute initiatives.

The following is a list of each Committee and its members in fiscal year 2011.

PAN-MASSACHUSETTS CHALLENGE

More than 5,200 cyclists rode in the 32nd annual Pan-Massachusetts Challenge (PMC) Aug. 6 and 7 to raise \$35 million for

Dana-Farber and the Jimmy Fund. Since its inception in 1980, the PMC has contributed an astounding \$338 million to the Institute.

Cyclists from eight countries and 37 states participated in the bike-a-thon, pedaling up to 190 miles along its various routes. The Boston Red Sox Foundation and New Balance served as presenting sponsors of the ride, and more than 200 generous companies provided in-kind support. More than 3,400 dedicated volunteers filled dozens of roles throughout the weekend to ensure that the PMC, the largest and most successful athletic fundraising event in the country, ran smoothly.

Donors who contributed \$1,500 or more to the PMC in fiscal year 2011 are listed in the Individuals and Corporations, Foundations, Organizations & Trusts sections.

HEAVY HITTERS

Heavy Hitters are riders and virtual riders (those who could not ride but participated in spirit and fundraising) who raise more than \$6,400. The riders or rides listed below went far beyond the call of duty by raising \$10,000 or more.

2011 HONOR ROLL OF DONORS

SPECIAL EVENTS

Tens of thousands of participants and volunteers throughout New England and across the country participated in more than 620 events held to benefit the Jimmy Fund this year.

Our events provided something for everyone. Amateur sluggers turned out for Jimmy Fund Fantasy Day at Fenway Park and participated in the 25th annual Jimmy Fund Little League program presented by Extra Innings. Ice cream lovers flocked to the 29th annual Jimmy Fund Scooper Bowl presented by FedEx, and foodies satisfied their cravings at Chefs for Jimmy. Red Sox fans dressed for Sox-cess to Rally Against Cancer and art lovers bid on masterpieces-to-be at A Spirited Affair. And these are just a sampling.

The following events raised \$5,000 or more for Dana-Farber and the Jimmy Fund in fiscal year 2011. Event donors who contributed \$1,500 or more in fiscal year 2011 are listed in the Individuals or Corporations, Foundations, Organizations & Trusts sections.

RUNNING PROGRAMS

Each April, the Dana-Farber Marathon Challenge (DFMC) team heads to Hopkinton, Mass., to run the famed Boston Marathon® and raise critical funds for the Claudia Adams Barr Program in Innovative Basic Cancer Research at Dana-Farber. This year, the 562-member team donned brightly colored singlets and collectively raised nearly \$4.6 million for the Barr Program, helping Dana-Farber in its race toward the ultimate finish line: a world without cancer.

Established in 1987 by Institute Trustees J. Wayne and Delores Barr Weaver in honor of Delores' mother, the Barr Program provides support for researchers exploring the basic genetic and biological mysteries of cancer. Since 1990, the DFMC team has raised more than \$52 million.

RUNNING PROGRAMS

RUNNING THE RACE AGAINST CANCER® Running the Race Against Cancer saw tremendous growth in 2011, as more than 800 athletes chose to make their running more meaningful by raising critical funds

for Dana-Farber while competing in renowned races. Participants run in any race, of any distance, in any city around the globe, or join one of Dana-Farber's official teams in support of cancer care and research.

In October 2010, 526 Dana-Farber team members participated in the B.A.A. Half Marathon® presented by Dana-Farber and the Jimmy Fund. In August 2011, 80 athletes ran the 39th New Balance Falmouth Road Race on the Dana-Farber team. Additionally, nearly 300 individuals participated in various races across the country during the year, through Dana-Farber's "run any race" option. Collectively, these determined runners raised more than \$1.1 million to help Dana-Farber conquer cancer.

The following list includes Running the Race Against Cancer participants and teams who raised \$10,000 or more.

BOSTON MARATHON® JIMMY FUND WALK

On Sept. 18, more than 8,500 walkers and 950 volunteers came together to help conquer cancer along the historic Boston Marathon® route for the 23rd annual Boston

Marathon® Jimmy Fund Walk presented by Hyundai. These dedicated participants raised nearly \$7 million for Dana-Farber, bringing the cumulative total to nearly \$80 million. More than 1,160 supporters became Pacesetters by raising \$1,250 or more.

Hyundai Motor America returned in 2011 for a ninth year as the presenting sponsor of the event, and a total of 28 corporate sponsors generously contributed funds, goods, and services. Walkers enjoyed a beautiful day on the course, with volunteers providing enthusiasm, water, and snacks on the way to the finish line at Copley Square.

PALM BEACH

PALM BEACH

Dana-Farber celebrated its 20th annual fundraising season in Palm Beach, Fla., with an array of events that raised \$2.4 million for cancer research and patient care, nearly doubling last year's success and bringing the 20-year total to nearly \$25 million.

20TH ANNUAL DISCOVERY CELEBRATION SEASON

On Feb. 19, more than 600 guests attended the *Discovery* Celebration at Donald Trump's exclusive Mar-a-Lago Club. Hosted by *Discovery* Celebration Chairs Phyllis and Paul Fireman, the evening included tapas-style dining, a dessert parade, and an intimate concert by Academy and Grammy award-winning actress and recording artist Jennifer Hudson. The evening concluded with a poolside after-party under the stars. Evening favors were graciously provided by The Weingeroff Family/Jay Strongwater.

The Palm Beach season officially began Jan. 19 with a Kick-Off Party at the Mar-a-Lago Club, hosted and underwritten by Grand Benefactors Nathalie Fernandez and Patrick Park, the *Discovery* Celebration vice chair. The evening featured festive libations and delicacies, and an informal show of fashion designer Carolina Herrera's spring 2011 collection presented by Neiman Marcus Palm Beach.

The *Discovery* Celebration weekend began Feb. 17 as donors joined Institute Trustee Phyllis Krock and her husband, Richard; Institute Trustee Judie Schlager and her husband, Larry; Institute Trustee Donald Dwares and his wife, Bonnie; and Institute Trustee Sandy Krakoff and Martin Phillips for Pre-Celebration Dinners. The following day, the 10th annual Breakfast with the Doctors was held at Palm Beach Country Club, hosted and underwritten by Judie and Larry Schlager and Vicki and Arthur Loring. That evening, the Firemans welcomed Celebration Ambassadors aboard their yacht, *Solemates*, and treated them to sushi and a raw bar on the water. Evening favors were graciously provided by David Yurman & Company.

Guests toasted the end of a very special Palm Beach season March 1 at the Major Donor Dinner, hosted by Institute Trustee Michele Kessler

Grand Benefactors Donald and Melania Trump

and her husband, Howard. A portion of the proceeds from the *Discovery* Celebration benefited the Pediatric Oncology Support Team at St. Mary's Medical Center in West Palm Beach, a local organization dedicated to helping young cancer patients.

FRIENDS OF DANA-FARBER CANCER INSTITUTE

Since 1976, Friends of Dana-Farber Cancer Institute, an all-volunteer organization, has raised more than \$22 million to support oncology fellowships, cutting-edge research, community education, and patient programs essential to the Institute's lifesaving mission.

In 2011, more than 1,200 dedicated members raised more than \$2 million. This year's activities included A Spirited Affair, the 13th annual Chefs Cooking for Hope, the 12th annual Saks Fifth Avenue Key to the Cure, Friends' Golf Classic tournament, and Dancing for a Cure.

Friends also supports a variety of programs that promote a sense of well-being for patients and families. The Friends' Art Program enhances the Institute's interior spaces and offers patients, their families, and staff moments of inspiration and quiet reflection. Friends' patient gift bags and special holiday decorations and performances provide a welcoming environment for all who face the challenges of cancer.

2011 HONOR ROLL OF DONORS

PLATELET DONORS

The Kraft Family Blood Donor Center saw 799 donors generously giving 6,958 units of lifesaving platelets to patients at Dana-Farber in 2011, with 93 of those donors joining "Team 20," having given 20 times or more throughout the year. Platelets are essential cells that enable blood to clot and control bleeding. Since chemotherapy and other cancer treatments can interfere with patients' own abilities to manufacture platelets, many need regular platelet infusions to survive.

The Kraft Center uses state-of-the-art platelet collection technology, increasing donors' comfort throughout the entire process. Platelets have a very short shelf life—just five days—so they are always in demand, making donors indispensable, treasured partners in cancer care.

Donors can give up to 24 times a year. If you would like to join this special group, or would like additional information, please call the Kraft Center at 617-632-3206.

The following list recognizes donors who have made 100 or more lifetime platelet donations.

VOLUNTEERS

Dana-Farber's on-site volunteers give a wealth of time and talent to patients, their loved ones, and staff. In fiscal year 2011, 285 on-site Institute volunteers gave a total of 22,439 hours and performed myriad services. Our generous volunteers give their heart and soul to everything they do, including roles at: Dana-Farber's reception desk, Friends' Corner Gift Shop, Concierge Services, Hands on Care Program, Eleanor and Maxwell Blum Patient and Family Resource Center and the Betty Ann and Marjorie Blum Pediatric Resource Room, Book Cart, Patient/Family Relations, the One-to-One Programs, and the Creative Arts Program.

Dana-Farber invites all those who want to make a difference to volunteer at the Institute. To learn more, call 617-632-3307 or visit dana-farber.org/volunteer.

The following list recognizes all those who volunteered three years or more as of September 30, 2011. In addition to those listed here, the Institute is profoundly grateful to the thousands of volunteers who helped organize and run more than 600 events held to benefit Dana-Farber and the Jimmy Fund in 2011.

Patient and Family Advisor Council (PFAC) members Richard and Anne Tonachel are the 2011 recipients of the Sidney Farber Volunteer Award and outstanding representatives of the Dana-Farber mission. They were among the patients and families guiding decisions regarding the layout and design of the Yawkey Center for Cancer Care, and once the building opened they served as tour guides and volunteered for several opening events, in addition to their roles as weekly ambassadors.

Pulitzer Prize-winning author and former Dana-Farber Fellow Siddhartha Mukherjee, MD, was the guest speaker at the celebration for *Mission Possible: The Dana-Farber Campaign to Conquer Cancer*, where he detailed the special partnership among patients, doctors, researchers, and philanthropy. His book, *The Emperor of All Maladies: A Biography of Cancer*, won the 2011 Pulitzer Prize and was named one of the "10 best books of 2010" by *The New York Times*. Dana-Farber founder Sidney Farber, MD, various Dana-Farber physician-scientists, and the Jimmy Fund are featured prominently in the book for their pivotal roles in the history of cancer.
