2017

READER
RANKINGS

FROM OUR ASSOCIATE PUBLISHER

Dear Readers,

The Idaho Business Review is proud to launch its newest recognition program, Reader Rankings.

This is a wonderful addition to the six existing annual awards programs produced by the Idaho Business Review. Those programs include Women of the Year, CEO of Influence, Accomplished Under 40, Excellence in Finance, Top Projects and Leaders in Law.

What is unique about Reader Rankings is that the winners are chosen by you, the reader.

To determine its list of winners, the Idaho Business Review facilitated a two-phase survey process. The first phase was a call for nominations, and the second phase was an online voting process. More than 3,000 votes were submitted by the nominees' peers, clients, colleagues and other business professionals, including the readers of the Idaho Business Review. Once the voting was complete, the top three companies were identified in each of the 50 categories.

We hope you enjoy reviewing this year's winners in this first annual Reader Rankings publication.

Please watch for nominations to open for 2018 and be sure to cast your vote.

Thank you for your continued support.

Sincerely,

A handwritten signature in black ink, reading "Cindy Suffa". The signature is fluid and cursive, with the first name "Cindy" being more prominent.
