# 1,080 Attorneys Earn Legal Elite Honors

## Peer voting recognizes Florida's top attorneys.

**N**ow in its 14th year, Florida Legal Elite presents a prestigious roster of attorneys chosen for highest honors by their peers. The 1,080 lawyers listed here exemplify a standard of excellence in their profession, and by so doing, have garnered the respect and esteem of their colleagues.

Voting for this year's Legal Elite honorees began in October 2016 when FLORIDA TREND invited all in-state members of the Florida Bar to participate. Multiple announcements publicized the ballot deadline and voting guidelines.

Lawyers were asked to name attorneys whom they hold in the highest regard or would recommend to others. Voters were also asked to name three "up and coming" attorneys, and in a separate category, outstanding attorneys working in the government and non-profit sectors.

The ballots were processed, checked and tabulated by outside vendors. Each lawyer was given a score based on the number of votes he or she received, with more weight given to votes from outside the firm. Only lawyers who are currently licensed and practicing in Florida were eligible for selection.

The list of top vote-getters was further examined using membership status reports and histories provided by the Florida Bar. A panel of previous Legal Elite winners, representing different practice areas in cities across the state, reviewed the selection process and the list of finalists.

The resulting lists represent fewer than 1.5% of the active Florida Bar members who practice in Florida.

The Legal Elite Hall of Fame comprises a distinguished group of attorneys who have consistently earned high rankings from their peers in the annual Legal Elite voting. This year, nine new honorees join the Hall of Fame.

An alphabetical directory of all Legal Elite winners for 2017 begins on page 28.

## Celebrating 50 Years of Helping Clients Outperform

Recognizing Greenberg Traurig's "Florida Roots, Global Reach," many of the state's most prominent companies and institutions turn to the firm on an ongoing basis to solve their complex legal issues. The international law firm celebrates its 50th anniversary this year and thanks its many loyal clients and the state of Florida for its success.

With client service at the heart of the firm's priorities, Greenberg Traurig attributes much of its growth since its founding in 1967 to strong client relationships, a track record of successful outcomes for clients, and a cherished tradition of community service. These values were instilled by the firm's founding attorneys: Mel Greenberg, Robert Traurig and Larry Hoffman.

Even as the firm has grown around the world – and is now ranked the largest law firm in the U.S. on the 2017 *Law360* 400 – Greenberg Traurig remains strongly committed to nurturing its Florida roots. The firm's Florida attorneys, located across seven offices, are recognized internationally for their state-wide, regional and national influence in key practice areas, including Corporate; Litigation; Real Estate/Land Development; Environmental; and White Collar Defense & Special Investigations.

Over the years, the firm's Florida attorneys have been involved in

many major development projects throughout the state and have helped shape the South Florida skyline. Today, that tradition continues as Greenberg Traurig attorneys play a key role in facilitating multi-billion dollar urban revitalization projects like Brickell City Centre and Miami Worldcenter.

Greenberg Traurig's Florida attorneys have served in many key leadership positions in nonprofits throughout the state and beyond. In addition, firm Co-President Hilarie Bass is set to begin her term as president of the American Bar Association in August.

The firm's tradition of giving back to the community continues through The Greenberg Traurig Holly Skolnick Foundation. Serving as the largest sponsor of Equal Justice Works Fellowships in the United States, the firm has invested more than \$9 million to support 142 Equal Justice Works Fellows whose work targets underserved populations.

## Taking Florida Businesses into the Future

Having grown along with Florida since the firm's inception, Greenberg Traurig is honored to be advising on so many of the important projects that are taking Florida's businesses into the future. From cutting edge technology initiatives and infrastructure that is helping build Florida and the nation, to the proliferation of key cross border deals, and projects that illustrate the maturation of the gaming industry, Greenberg Traurig is at the forefront of the next chapter in global business.

As part of their leadership position in technology, Greenberg Traurig Florida attorneys recently completed a \$2.8 billion joint venture/acquisition for Medina Capital and BC Partners to create Cyxtera Technologies Inc., a Global Data Infrastructure Platform based in Miami deploying cyber security and data analytics solutions globally. Operating on an international platform, Greenberg Traurig's Florida leadership also helped found the eMerge Americas technology conference.

Greenberg Traurig's Florida attorneys recently represented Hard Rock International in connection with its long-term stadium naming rights and sponsorship agreement with the Miami Dolphins, its acquisition of Atlantic City's Trump Taj Mahal Hotel and Casino and its reacquisition of certain global intellectual property rights. The firm had also represented the Seminole Tribe of Florida in its \$965 million acquisition of the Hard Rock brand in 2007 – the first purchase of any major international company by a Native American Tribe.

In addition, the firm's litigation department has played a significant role in cases that have impacted both Florida and the nation, including successful litigation against Chinese companies for selling defective drywall and the successful defense of the website 'DolarToday,' a popular U.S. dollar to Venezuelan bolívar exchange rate reference. The Maduro regime brought a lawsuit in U.S. federal court to shutter the website, alleging currency manipulation.

The Public Finance practice works with local governments across the state to meet a wide-range of infrastructure needs, from schools and housing to airports and expressways. Greenberg Traurig has facilitated many public private partnerships as well, like the multi-billion dollar Port Miami Tunnel, which are crucial to Florida's effort to expand its reputation as a global gateway. The expansion of I-4, on which the firm was Florida counsel, also plays an important role in the infrastructure that will take Florida forward.

## Congratulations to Caryn Green on her 9th Legal Elite Honor

Caryn, managing partner of Green Family Law, P.A., brings over 20 years of family law experience. She is board certified by The Florida Bar, a Fellow of the American Academy of Matrimonial Lawyers and the International Academy of Family Lawyers.

effect of family disputes on the parties and, most importantly, the children. Caryn started her career as Guardian Ad-Litem for minor children in both dependency and family law courts. During this extremely stressful time in the lives of the parties and children, she offers emotional support. Caryn is compassionate and reasoned in her approach when representing her clients. She is sensitive to the needs of each family.

Caryn is recognized as the "Best of" in Best Lawyers — *Orlando Magazine* in addition to *Florida Trend's* Florida Legal Elite. She has been selected to Super Lawyers 2010-2017 and as a Rising Star in 2009.
