#LiveAmplified

ST.PETE
CLEARWATER

LIVE THE BEACH

What makes paradise? Might we suggest that it's a place where if you prefer nothing to do, or favor an abundance to do, either way, you are inspired by where you are. St. Pete/Clearwater is that place. Sugar white sand as far as you can see, world-class sunsets, sophisticated art and culture, and fun for romantics, families and Fidos. Discover the American Tropics.

TAKE A SWIG OF THE GULF COAST

FALL FOR TRIPADVISOR'S #1 BEACH

GET SURREAL AT THE DALÍ

Welcome to the American Tropics

On a sun-drenched Florida peninsula, separating the Gulf of Mexico from Tampa Bay, lies St. Pete/Clearwater.

Surrounded by crystal-clear emerald water, caressed by salty Gulf breezes, it feels like what you think of when you hear the word “paradise.” In the 35-miles of beach bliss — from the natural, pristine beauty of Caladesi Island State Park, to the pulsating excitement of Clearwater Beach, to the family-friendly Fort De Soto Park — you’ll find sunsets to remember forever, and a vibe that’s uniquely you.

America’s most award-winning beaches are here; there’s sugar white sand as far as you can see, for miles and miles, with and without accommodations of every sort. America’s best beaches for families, for dogs, best natural beaches, best beaches for ... well, everyone.

Of course, beaches give rise to boardwalks with Gulf-to-grill cafés, coffee shops with views of wild dolphins, and laid-back beach communities with locals who couldn’t be happier to say hello. Saunter under the whisper of palm trees, on streets alive with music. Prefer resort life with golf? The pros’ favorites are here, as is professional baseball at Tropicana Field, home of the Rays.

The communities of St. Pete/Clearwater are quintessentially, authentically Gulf. Tarpon Springs, defined by its Greek heritage, is a working waterfront unlike any port of call this side of Athens. A visit to the sponge docks, for instance, must be accompanied by a trip to a Greek bakery for baklava as you shout “Opa!” in celebration of life. Head south to Dunedin for a trip to Florida’s oldest brewery and a downtown that refuses national chain restaurants. If you’re here during the Dunedin Highland Games, don’t forget your Scottish kilt.

If you prefer to “get away,” there’s a lot of away to get to. Kayak with manatees among mangroves. Take a boat to the remote barrier island of Anclote Key and camp overnight to see the stars as you’ve never seen them before. Find silence parasailing above the water, or free diving below, with more than 40 reefs and old shipwrecks to explore.

The city of St. Pete, cultured and alive, boasts five arts districts, each with working artists. There’s a walking tour of street murals, and the SHINE festival each year in October when artists from all over the world add to the outdoor gallery. Art lovers, immerse yourself: The Dalí Museum for surreal, the Museum of Fine Arts for masters, the Imagine Museum for contemporary glass and the Morean Arts Center, featuring the Chihuly Collection. St. Pete’s nightlife is spirited; expect the unexpected! And dining that’s “fresh eclectic” — a foodie fantasy day or night, featuring the finest grouper in the world.

You're in
GREAT COMPANY

The Vanderbilts, the Studebakers, the Du Ponts. Even Babe Ruth, Henry Ford, and Thomas Edison. They've all retreated to this historic property on the Gulf to make memories with friends, family, and colleagues. *And now, you will too.*

Bellevue Inn™

The Legend Lives On

THE ALL NEW SADDLEBROOK: THE PERFECT MEETING VENUE

Saddlebrook was designed to host meetings and to be the perfect venue for your next event.
