# Carnival Attractions

With rides reaching up to 100 feet, fair-goers will have many opportunities to experience the speeds, spins, twists and turns of numerous carnival rides offered at the Silver Dollar Fair this year.

Thrill seekers can enjoy rides such as the the Freak Out, which swings horizontally while slowly rotating the seats, and the Zillertor Coaster that reaches 48 ½ feet tall and takes passengers rising and descending along the curves of its tracks. The Silver Dollar Fair will also have classic rides, such as the Zipper, Tilt-A-Whirl and Ferris Wheel.

Fun House attractions include the Big Top, which features a changing LED light show and a view of the midway from the second story. The Big Top includes a roller floor, treadmill, ladder steps, spinning steps and surprising air fans. Another stop for fair-goers is the Mardi Gras, a two story celebration of the New Orleans tradition, which includes mirror mazes, moving escalators, music and lights.

For younger children, Silver Dollar Fair's Kiddie Land includes rides in a space designed exclusively for kids. This area includes 15 rides, with classics like the Tea Cup and Merry-Go-Round, as well as many other options. Rides like Bear Affair that allows passengers to steer and spin around at their own pace while the ride smoothly revolves around them and The Wacky Worm Coaster, a two-level roller coaster, provide fun for both children and their parents.

There are also a variety of games along the midway. These games give fair-goers a chance to test their skills and win a number of prizes. Games and rides are provided by Butler Amusements, which was started over 45 years ago.

# Agriculture at the Fair

The fair will be rich with agricultural sights and experiences including the Junior Live-stock Auction, Ag-zibit presented by Chico Children's Museum and Farm Babies.

Livestock events will be held throughout the fair, as 4-H and FFA members show goats, rabbits, steer and more. There will also be a livestock auction on Saturday starting at 10 a.m. Approximately 500 local youth will be selling an animal they have raised. Last year's auction raised over 1 million dollars for the youth of our community.

The Ag-zibit presented by Chico Children's Museum includes many agricultural activities for kids and their parents, including milking a cow, collecting eggs from a chicken

coop, collecting nuts from trees, picking potatoes, playing with tractors, occasional appearances and songs by kid's entertainer Tanna Banana and more. It will feature local products such as almonds, walnuts, rice, beef, dairy and corn. Chico State Ag Education students will be there to guide the kids and their families through the experience.

Farm Babies is another great educational opportunity, which offers kids and their families the chance to see various farm animals and their babies. Also, trained docents from Butte College and Chico State will be there to answer questions and share facts about the animals.

# Saving Money at the Fair

There are several ways to cut costs at this year's Silver Dollar Fair, including promotions, carnival wristband discounts, and fair admission coupons.

The fair will be kicking off on Thursday, May 23rd with a special Silver Dollar Day promotion. Admission will only be \$1 for everyone age five and up. Kids five and under are free on all nights of the fair. A Kid's Day promotion will take place on Friday, May 24th. Admission will be free to all kids age twelve and under.

One way to save money is by purchasing a discount car-

nival wristband prior to the first day of the fair. The cost is \$28, which provides a savings of \$2 to \$7 for those wanting access to unlimited rides. The wristbands can be purchased at the fair office or any Butte County Save Mart through Wednesday, May 22, 2019.

Another way to save money on admission is to pick up the fair's Silver Dollar Coins, which are good for \$1 off admission at the gate. There are 10,000 coins minted each year, and they can be picked up at the fair office for as long as supplies last. There is a limit of two per customer and they are not valid on Thursday.

# Have a hopping good time at the Silver Dollar Fair!

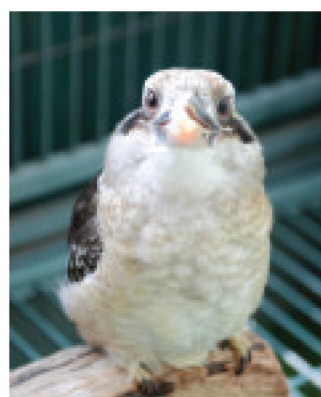

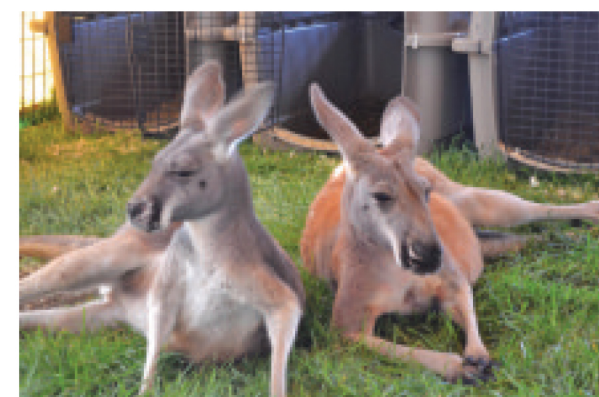

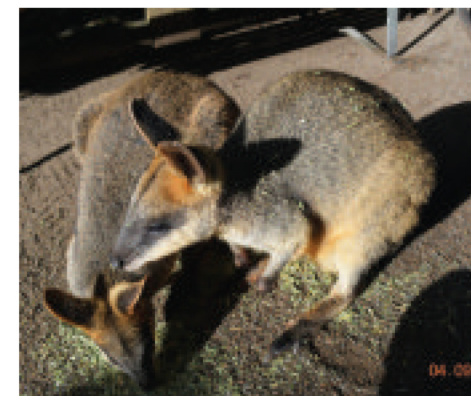

## As in kangaroos, not just bunnies!

Aussie Kingdom will be onsite at the Silver Dollar Fair from May 23rd to May 27th (Memorial Day) hosting a three shows daily! Audiences will be introduced to the wonders of "Down Under" as they interact with several different species of marsupials (pouched animals) such as kangaroos, wallabies, walleroos. Also offered are other native Australian wildlife including lizards and birds such as the kookaburra, rainbow lorikeet and bearded and frill dragons.

Seeing, touching and hearing the stories behind these captivating creatures during these shows each of the five days at the Silver Dollar Fair! You can also wonder throughout the educational and interactive

areas, you learn about native Australian art, musical instruments and other animals, found only in Australia! Aussie Kingdom offers this opportunity of a lifetime, along with an ongoing display of the animals throughout the day.

Coming from Colorado the wonderful little mob of roos are shown by bush guide Carolyn Lantz. "I think we are more likely to preserve what we know," says Lantz, "I truly enjoy showing these animals and helping to educate people on just how unique they are." Aussie Kingdom is the only traveling Australian Animal Show in the United States and Canada and will be a delight for the entire family at the Silver Dollar Fair!
