#ExploreYorkPA

“As an event director, I’m thrilled to be returning to York in 2018, which will mark our 38th consecutive year with the NSRA Street Rod Nationals East being held in York. One could say my enthusiasm comes from the easy access from all parts of the country, or maybe the fact York has everything to offer our attendees including the York Expo Center, lodging for every budget, dining for all appetites and lots of things to see and do in and around the community. Possibly it is the opportunity to work together with Explore York and utilizing its expertise for our participants and guests alike. Then again, maybe it is all of this combined with a feeling like you’re ‘going home.’ ”

RESTAURANTS

"Working with Explore York has been a very pleasant experience. Our group chose York because it was centrally located to our eastern region and because we were able to get quality accommodations and facilities at reasonable prices. Working with the Bureau made selecting a facility and planning events easy and the Bureau assisted us with on-site registration and welcoming of guests, along with providing helpful information to our guests. I would highly recommend York for those planning regional business conferences and meetings."

Bill Askenstedt, Secretary/Treasurer

The Eastern Division of the International Association of Fire Chiefs
