Evidence of Excellence

Peer recognition program honors Florida's top attorneys.

For the 16th year, Florida Legal Elite presents a prestigious roster of attorneys chosen for highest honors by their peers. The 1,126 lawyers listed here exemplify a standard of excellence in their profession and by so doing, have garnered the respect and esteem of their colleagues.

Voting for this year's Legal Elite attorneys began in October 2018 when Florida Trend invited all in-state members of the Florida Bar to participate. Multiple announcements publicized the ballot deadline and voting guidelines.

Lawyers were asked to name attorneys whom they hold in the highest regard or would recommend to others. Voters were also asked to name three "up and coming" attorneys, and in a separate category, outstanding attorneys working in the government and non-profit sectors.

The ballots were processed, checked and tabulated by an outside vendor. Attorneys were

given a score based on the number of votes they received, with more weight given to votes from outside the firm. Only lawyers who are currently licensed and practicing in Florida were eligible for selection.

The list of top vote recipients was further examined using membership status and histories provided by the Florida Bar. A panel of previous Legal Elite winners, representing different practice areas in cities across the state, reviewed the list of finalists.

The resulting lists represent less than 1.3% of the active Florida Bar members who practice in Florida.

The Legal Elite Hall of Fame comprises a distinguished group of attorneys who have consistently earned high rankings from their peers in the annual Legal Elite voting.

This year nine new honorees join the Hall of Fame.

An alphabetical directory of all Legal Elite 2019 winners begins on page 25.
