Smarter technology for a stronger grid. And a brighter future.

Entergy New Orleans is modernizing the power grid to ensure more reliable – and more affordable – power for years to come.

Advanced Meters use smart technology to communicate with the power grid. They can detect outages instantly so we can restore power faster. They deliver improved usage data so we can provide better customer service and optimize the grid to meet evolving energy demands. Advanced Meters give you helpful information – as well as new tools to help your energy usage – which could lead to lower bills.

Grid Automation also uses smart technology to automatically respond to problems. When there is an outage, the power grid can reroute power within seconds – keeping the lights on at more homes and businesses while our crews are dispatched to the exact location in need of repair.

We're installing this new technology today so New Orleans can shine brighter for generations. Together, we power life.

Dear Chamber Members and Community Leaders

**NEW ORLEANS
CHAMBER**

On March 22, 2019 the New Orleans Chamber collaborated with sixteen professional women's groups to host the 2019 Women's Leadership Conference. The conference sold out its inaugural year, four weeks prior to the event with 550 participants and a waiting list of over 100 individuals. This event is one more example of the expanding female entrepreneurship in our community. With over half of the New Orleans Chamber's membership consisting of women, the Chamber applauds their investments and leadership in our community and looks forward to the 2020 Women's Leadership Conference.

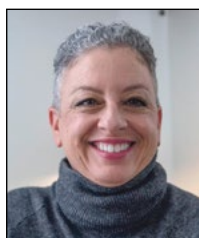

The Chamber continues its membership focus offering tools and resources to build business capacity through its seminars, networking events and quarterly business luncheons. Your suggestions and survey responses are appreciated and implemented. Your active feedback keeps the Chamber's initiatives relevant, current and responsive to business professional needs. Please review pages 16-32.

The Chamber's 35 Ambassadors continue to be the fabric that connects, listens to and supports our members at all Chamber activities. Our members consistently comment on how valuable the Ambassadors are to the success of the New Orleans Chamber. Chamber ambassadors are listed on page 34 of this report. Please thank them for their volunteer efforts.

Going above and beyond in New Orleans.

In 1937, Jones Walker LLP began as a small law firm in New Orleans and is now one of the largest law firms in the southeast United States. While we've certainly grown and changed over the years, what hasn't changed is our steadfast commitment to our communities like New Orleans and helping our clients meet their legal challenges, whether they are large corporations or small businesses just starting out like we did more than 80 years ago.

Perhaps that's why The BTI Consulting Group, which conducts hundreds of in-house counsel interviews to identify the top client service firms in the nation, named Jones Walker to its **2019 Client Service A-Team**.

WBA Educational Seminars

A special thank you to our educational partners for the 2018 Women's Business Alliance Seminar Events.

The Chamber implemented an educational component to four WBA events in 2018 by partnering with local women's organizations. These events feature panels of esteemed women speaking on topics such as "Ask an Expert" and "Women of Firsts."

We would like to thank our Pop Up event hosts in 2018

The Pop Up Event Series has continued success in 2018 by providing more networking and hosting opportunities to our members.

These fun and spontaneous events are held throughout the city – often at new and exciting venues. They also serve as an excellent opportunity for non-members to see what the Chamber has to offer – free of charge!

Educational Seminars

We would like to thank our 2018 educational partners for working with the New Orleans Chamber to host these great events.

The New Orleans Chamber fulfills the educational aspect of our mission by providing valuable seminars and workshops for our members. The Chamber partnered with industry-specific organizations and local business groups in 2018 to host a record of eleven seminars catering to small and medium-sized businesses.

The seminars are an excellent resource for businesses to gain knowledge essential for growth and opportunity.

Young Professional Networking Night

The Chamber recognizes the important role that young business professionals play in sustaining the booming economic development and entrepreneurial spirit of New Orleans. The New Orleans Chamber values these partnerships to better serve this growing demographic. The Chamber partners with local Young Professionals' organizations to host two YP networking events each year.

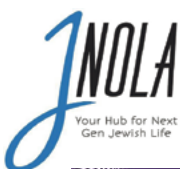

We would like to thank our 2018 YP Night hosts.

The events are for talented, under 35, members of the business community to meet and interact with seasoned professionals in New Orleans.

We would also like to thank our Young Professional Partner Organizations.

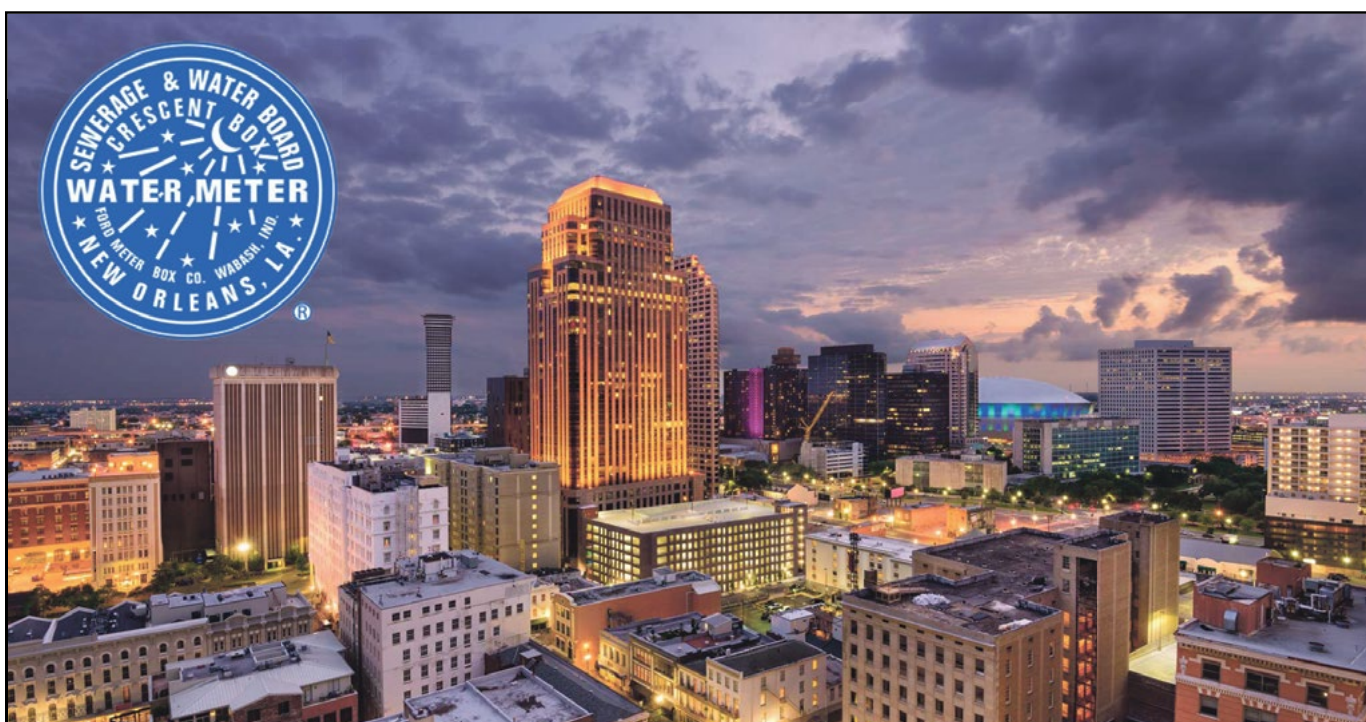

In 2018, the Chamber experienced continued success with the Power Breakfast/Lunch networking series. Power Events are one-hour sessions that allow attendees to perfect their one-minute "business intros" by presenting to a small, focused group of peers. The event allows time for networking before and after the program. Following the business intros, power attendees can strategically work the room knowing who they would like to connect with!

Power Breakfast & Lunch

We would like to thank Fidelity Bank and Gulf Coast Bank & Trust Company for sponsoring this very important series in 2018.

Green Initiative

Building on increased consumer interest in companies with good sustainability practices and the economic benefits of green commerce, the New Orleans Chamber has partnered with LifeCity to host a series of seminars and after-hours events. The goal is to help existing businesses develop and formalize their sustainability strategies and to raise awareness and support of green commerce on local, regional and national levels. The highlight of our partnership with LifeCity is the annual Love Your City Gala held in January. The partnership not only brings attention to the sustainability movement, but also connects local green businesses with consumers.

In 2018, we partnered with 15 local business organizations to host two Regional Business Networking events, bringing together over 600 business leaders and professionals. These successful events highlighted the joint effort of our local Chambers to strengthen and connect both large and small businesses in the greater New Orleans region.

Thank you to our Sporting Event hosts in 2018.

The New Orleans Chamber has partnered with various local sports teams to create a series of family-friendly events. These events allow Chamber members to come together in a more casual setting and network over the fun of a sports game. In addition to our regional chamber event with the Baby Cakes, we also supported Fidelity P.O.W.E.R. Ladies' Night at the Baby Cakes honoring Women in Business.

BOARD MEETINGS

Our Board of Directors serves as the governing body of the New Orleans Chamber. This diverse group of business leaders proudly represents the New Orleans Community. Through monthly meetings, Chamber Board Members are enlightened on information and current events that affect our city and region. From touring the Port of New Orleans to hearing from political leaders, they stay informed on issues that affect business conditions. Every year, board members represent the New Orleans Chamber at the Louisiana Chamber of Commerce Executives (LACCE) day at the capital and other meetings with elected officials. The Chamber's Governmental Affairs Committee advocates for legislative decisions that positively affect local businesses. Thank you to our Board of Directors for your dedicated leadership.

SPECIAL FEATURE: POWER UP WOMEN'S LEADERSHIP CONFERENCE

In March 2019, the New Orleans Chamber partnered with Fidelity Bank P.O.W.E.R. to create the city's first collaborative women's leadership conference. This inaugural event featured 17 women's organizations from across the region as our network partners, 40 sponsors & over 550 attendees. It was an all-day professional development conference with a keynote luncheon & breakout sessions sponsored by our network partners. Next year's conference will be Thursday, March 19, 2020.

TESTIMONIALS

**NEW ORLEANS
CHAMBER**

— James Dabney,
Posse New Orleans

"The New Orleans Chamber has allowed me to connect with like-minded people in the city who are invested in making sure our city is continuing to thrive."

— Dr. Daniel Goodman,
Met Real Chiropractic

"Joining the Chamber has been great for not just my business, but my quality of life in New Orleans. I have met countless people who are passionate about how they serve this city. As a Chiropractor, the chamber allows me the opportunity to meet others who may need my services or share the message of how I can help those needlessly suffering. Some of my most impactful cases have come from relationships I have made at these events"

"The New Orleans Chamber is an excellent catalyst for expanding your network both personally and professionally. As a business development rep, it's my job to connect the inside of my organization to the outside and vice versa. The relationships I've built through the Chamber have ensured that when a lender or officer within the

credit union reach out to me for assistance in connecting to someone outside of the Credit Union, I always 'know a guy' who can help them achieve their goals. Personally, I truly enjoy getting behind-the-scenes looks at new and existing businesses within the city and have made great friends while doing such!"

"Being a member of the New Orleans Chamber and attending events like the Power Breakfast and Lunch has connected us with people we would not have been able to meet through our other marketing strategies."

— Kristi Maupin, Jefferson
Financial Federal Credit Union

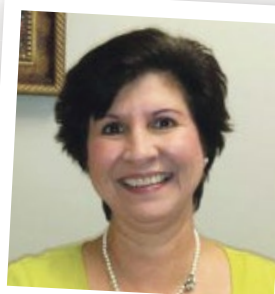

— Anthony LaMothe,
Capture Studio, LLC

"The New Orleans Chamber has been an integral part of our business. As a NOLC member, we've learned how to improve our business, networked with diverse business owners, and formed relationships with new clients. Partnering with NOLC

is one of the best decisions we've made. If you're doing business in New Orleans, joining is a must to benefit from their events, seminars, and exceptional staff."

— Jane Cooper,
Grande Krewe

— Cindy Kass, Q&C Marriott
Autograph Collection New
Orleans

"Hosting a Women's Business Alliance allowed us to see the potential of our space and ended up bringing in some great business. Over 100 women attended, which led to positive feedback, new business connections, and more event reservations. We've since started to host receptions, meetings, and other gatherings."
