

CHAMBER INSIDER

In 1973, Ishai Zeldner left his home in Buffalo, NY to volunteer on Kibbutz Bet Hashita in Israel. One of his tasks was to work with the bees, something he had never experienced. He soon fell in love with the fascinating world of bees, and upon his return to the US, he drove across the country to Davis, CA to continue his studies. In 1979, Ishai founded Z Specialty Food as Moon Shine Trading Company, originally based in Winters, CA. Moon Shine Trading's mission is to provide the finest varietal honeys from across the US, and to educate consumers about honey, bees, and other useful and medicinal beehive products.

In 1998, after 20 years of steady organic growth, Moon Shine Trading moved to Woodland. Shortly after, the same family acquired another local honey company, Island of the Moon Apiaries, originally based in Esparto, CA. As these two brands came together under one roof, the umbrella name Z Specialty Food was born.

Z Specialty Food now offers over 30 varietal honeys from across the US, including many local honeys, and a wide array of related products. You can explore these products in their tasting room, online at zspecialtyfood.com, and at their two Warehouse Sales each year. This year, the 10th Annual Warehouse Sales are November 17 & December 7, from 11am – 4pm both days at 1250-A Harter Ave in Woodland. Phone number (530) 668-0660.

Now, still family owned and operated, and 20 years after moving to Woodland, Z Specialty Food is proud to introduce our local community to Hive on Harter; their new production facility, tasting room, pollinator garden and outdoor event space at 1221 Harter Ave! Currently under construction, they will move in Fall 2020, with a massive Grand Opening Party in Spring 2021! Thank you, Woodland, for your support over all these years!

Branigan's Turkey — A Local Family Tradition

Branigan's Turkey Farm is a year-round family-owned business since 1942. We sell broad breast, free range, all-natural raised organic turkeys. Call us to place your order for ground turkey, turkey sausage, whole turkey and more. We are proud to serve our community and customers. Every year over the entire holiday season, we raise and distribute 18,000 to 20,000 turkeys.

Branigan's Turkeys are different from regular store-bought turkeys in that they

are raised longer than most turkeys, which are processed at 16 weeks. Although a turkey is considered mature at this age, we feel raising our birds 25-27 weeks will allow for a proper finish; They also develop a thin film of fat under the skin that makes them self-basting, so you don't have to add any oil or butter. We have our turkeys sold at local stores such as Nugget & Cracchiolo's in Woodland. Also, in supermarkets in areas ranging from Oroville to the Bay Area down to Stockton.

We currently continue with a great price on our turkeys of \$4.39/lb. All turkeys are then vacuum packed in a clear bag. Why a clear bag? Because Branigan's Turkey Farm is proud of its turkeys and feels you, the consumer, would like to see the quality you've come to enjoy. Call us up to reserve your holiday turkey and don't forget that we sell much more than a whole turkey. You can reach us at (530) 662-4205 or visit us at 39621 County Road 24A, Woodland, CA 95695.

WOODLAND
220 West Main St. • 530.662.9106

Are you looking for skilled laborers in your area? Do you need to upgrade your existing employee's skills?

The County may be able to help!
We have several programs that allow us to pay for training to make job seekers more competitive, we can assist with up-skilling existing employees and we can even host recruitments for you.

SOME TRAININGS WE CAN HELP WITH INCLUDE

Class A License • Construction Training • Forklift Operation
Welding or Agricultural Equipment Operation Certificates

We also offer several exciting opportunities to pay for subsidized employees in your business, meaning we will pay the wages of prospective new hires through our programs while you try them out. Our offices help both job seekers and employers and we want to work for you (at no cost to you). We have access to several Federal Funding streams that allows us to pay for these awesome benefits.

Contact us if you'd like to learn more; Senior Program Analyst, Judy Needham
