# Woodland Parent Nursery School's Annual Auction Spring Fling 2020

**T**he Woodland Parent Nursery School (WPNS) is excited to present Spring Fling, a wonderful evening of live music, silent auction items featuring local businesses, gourmet appetizers, and unlimited beer and wine on Saturday, March 28th 6-9 p.m. at the Atrium in the Yolo County Administration Building 625 Court Street in Woodland. Tickets to the event are \$15. Raffle tickets are also available: \$5 gift card raffle (\$150 value), \$10 farm raffle (\$150 value), and \$20 wine raffle (\$275 value). Raffle winners need not be present to win. Tickets can be purchased from any WPNS family or online at <https://woodlandparentnurseryschool.org>. This event supports WPNS, a play based parent cooperative preschool. We hope everyone can make it to our biggest fundraiser of the year!

## About WPNS

WPNS is a Non-Profit parent participation preschool, established in 1956. Under the direction of Brenda Di Gregorio (Preschool Program) and Kim Hammons (Parents and Tots), we participate in our children's school experience. As co-op parents, we are responsible for managing the school, maintaining the building and grounds, and co-teaching our children.

## Parents and their children learning together

Parents learn about child growth and development while providing a nursery school learning experience for their children. Parents participate in the morning program on a rotating basis and attend an evening class one

Tuesday of every month. Preschool classes are small and have a 5:1 ratio of children to adults throughout the year.

## A play-based approach to learning

We promote self-confidence, awareness of others, and positive expression of emotion and needs. We try cooperation, sharing, turn taking, and problem solving. We learn through messy art, dramatic play, favorite stories, puzzles and blocks, textures, music, outdoor play, and making new friends.

Through these building blocks, children are introduced to colors, shapes, letters, sounds, measuring, counting, patterns, and rhythm — all in preparation for kindergarten.

## Enrollment

For more information, contact [wpns\\_membership@yahoo.com](mailto:wpns_membership@yahoo.com). Interested families are encouraged to schedule time for a tour of the school and to answer any questions. WPNS is a Woodland treasure and we encourage you to visit us and see why. Play on!

# "Singin' in the Rain" opens April 24, 2020 at the Woodland Opera House

**S**ingin' in the Rain has been dubbed by many movie critics and patrons alike as one of the happiest, upbeat, and delightful musicals ever written. In fact, it has been called the greatest movie musical of all time. Set in Hollywood in the waning days of the silent film era, it focuses on romantic lead Don Lockwood (Erik Catalan), his sidekick Cosmo Brown (Eddie Voyce), aspiring actress Kathy Selden (Kirsten Myers), and Lockwood's leading lady Lina Lamont (Patricia Glass), whose less-than-dulcet vocal tones make her a challenging candidate for stardom in talking pictures. Filled with hilarious situations, snappy dialogue, and a hit parade of toe-tapping song and dance numbers, this classic show will make everyone walk out of the theater singing and wanting to dance in the rain.

Underwritten by Tom and Meg Stallard, *Singin' in the Rain* will be Rodger McDonald's 14th directing project at the Woodland Opera House. McDonald says he "has collected one of the most experienced and popular casts to do a show at the Opera House with many of the audiences' favorite performers from seasons past."

Jia Min Rosendale provides music direction with Costume Design by Denise Miles. Set Design is created by Mark Deamer and constructed by Mike Cartwright. Darryl Strohl-DeHerrera will be the Choreographer while the Light Designer is Nikki Pendley. Melissa Dahlberg will handle the role of Stage Manager with ease.

The show opens Friday, April 24th and plays on Fridays and Saturdays at 7:30pm and Sundays at 2pm through May 17th.

Reserved seats are \$25 for adults, \$23 for seniors 62+, and \$12 for children 17 and under. Balcony tickets are \$15 for adults and \$7 for children. Flex Pass specials and group rates are available.

Tickets are available online at [www.woodlandoperahouse.org](http://www.woodlandoperahouse.org) or by calling 530-666-9617.

## Simple Ways a Keto-Friendly Diet Can Set You Up for Success

(StatePoint) Chances are you've heard of the keto diet. Its popularity has soared in recent years, adding it to the list of diets many people try. The keto diet is founded on the belief that when your body is in a state of nutritional ketosis -- a metabolic state in which fat provides most of the fuel for the body -- you will lose weight. But what if you could take a less drastic approach?

In his newest book, "The Keto-Friendly South Beach Diet," world-renowned cardiologist Dr. Arthur Agatston explains that you can follow a low-carb, high-fat, quality-protein keto-friendly diet without having to reach and sustain a state of ketosis -- and still reap the weight loss benefits.

Here is how this approach can set you up for weight loss success:

- **It Follows Proven Principles:**

Following the proven principles of the low-carb/good-carb, good-fat, healthy-protein

approach of the original South Beach Diet, the keto-friendly version layers in science-backed elements of the keto diet's higher fat intake, ultimately allowing for more variety in the diet than strict keto in the form of nutrient-dense carb choices like non-starchy vegetables and beans.

- **It Takes You into Fat Burning Mode:**

"When a person eats too much sugar or quickly digestible carbs, their insulin levels increase. If this happens over time, the body responds by going into fat storage mode, making it very difficult to burn fat and lose weight," says Dr. Agatston. The keto-friendly approach shifts your body from "fat storage mode" into "fat burning mode," leading to weight loss.

- **It's Flexible:**

Trying to maintain any strict diet for the long-term often makes people stop dieting and regain weight. Because of the highly satisfying foods and the lack of required adherence to specific ketone levels, the Keto-Friendly

South Beach Diet allows for a variety in food choices, which may be more sustainable over time compared to stricter keto diets.

- **It Offers**

**Structure:** For those looking for a bit more structure,

South Beach Diet offers a keto-friendly version of their meal delivery plan that comes with fully prepped chef-inspired foods that nourish and satisfy.

"Structure can make the keto-friendly lifestyle more approachable," says Courtney McCormick, registered dietitian and manager of Clinical Research & Nutrition for South Beach Diet.

For more keto-friendly insights and keto-friendly recipes, visit [palm.southbeachdiet.com](http://palm.southbeachdiet.com).

Remember, the first step to losing weight is finding a plan that works for you. A keto-friendly diet can set you up for success in a way that's friendly, flexible and achievable.

# Cabrillo Club Bake Sale Annual Event to Support Scholarships

Submitted by Floyd Kemper

The Yolo Cabrillo Civic Club #26 will hold its annual Scholarship Bake Sale from 5 p.m. to 7 p.m. on Saturday, April 4 and from 7:30 a.m. to 1 p.m. on Sunday, April 5 at the Holy Rosary Parish Hall, 315 Walnut St. This bake sale is a major fundraiser for the Cabrillo Scholarship Program, which awards \$500 scholarships to more than 100 graduating seniors statewide every year.

The bake sale features quality sweet breads fresh from the Portuguese Bakery in Santa Clara as well as home baked cookies, pies and cakes from club members. Portuguese Sweet Bread is available in large loaves as well as six packs of large rolls and 10 packs of dinner rolls. Another very popular item is the Cinnamon Sweet Bread which originated with the Santa Clara Bakery. It's great warm with butter and also makes great Portuguese style "French" toast.

Those interested in buying in advance for the Easter weekend are encouraged to pre-order the sweet breads to ensure your selections will be available. Pre-orders

and more information are available by calling Debbie Baker, 530-405-7680 before Monday, March 30. Also, anyone interested in making donations of home baked goods are welcome to call. Home baked items are not available by pre-order and are sold on a first come, first served basis.

## Cabrillo Membership Dinner Featuring Portuguese Traditional Sopas A Carne

Sunday, April 19th will mark the annual Cabrillo Club Membership Dinner with Portuguese style seasoned beef, bread, green salad along with our fantastic potato salad. Homemade desserts will finish off your dining pleasure. The event begins at 5:00 pm with a no host cocktail hour and dinner is served buffet style at 6:00 pm. The dinner is being held at the Holy Rosary Community Center, 575 California Street in Woodland. The cost of dinner is \$20.00 and includes membership in the Cabrillo Club if desired. Club members who are current with their membership eat free. Young adults age 12 to 17 are \$12.00 and children below age 12 are free. Advance reservations are requested by calling Elizabeth Kemper at 530-666-4059.

A raffle featuring gift items brought by members will be held following dessert. A silent auction will also be available. Money raised will help support the Cabrillo Scholarship Program.

We hope to meet many friends, both old and new while enjoying a great dinner and fun evening.

# Woodland Schools Foundation's Burgers & Brew Fundraiser, Thursday, April 2, 2020

Come support Woodland schools by enjoying an evening out at the Woodland Schools Foundation's 10th Annual Burgers & Brew dinner and auction, Thursday, April 02, 2020, at the Woodland Community Center. Unwind with friends over gourmet burgers, (meat and veggie) beans, salads and desserts and hosted beer and wine, all for the low price of \$25! Silent auction items created by the students of the Woodland Joint Unified School District will be available for bid as well as live auction items.

The event's activities will include a social hour with a silent auction starting at 5:30 and dinner served from 6:30 to 7:30. Our cooks this year will be members from the Woodland 1970s Reunion group as well as assistance from the Culinary Arts students from Woodland and Pioneer High Schools. Floral designs will be provided by

students from Woodland High School. Tickets are \$25 each and can be purchased at National Town and Valley Properties, any school in the Woodland Joint Unified School District or online at [brownpapertickets.com](http://brownpapertickets.com). A few tickets will be available at the door for \$30 each, but event organizers strongly recommend purchasing tickets in advance. This year, credit and debit cards will be accepted at the live and silent auctions.

This annual event has raised over \$100,000 in the last ten years, which has been used for a wide variety of educational programs to enhance our students' academic growth including: GATE programs, music programs, STEM education support items, culinary arts, agricultural programs, sports and so much more. In addition, WSF has given \$1000 to each school principal for the past several years to use toward student enrichment.

Woodland Schools Foundation is a local non-profit operated by parent and community volunteers. The Woodland Schools Foundation is a completely independent non-profit that raises money for the schools and programs of the Woodland Joint Unified School District. # Commit2Fit April

**L**ooking for some motivation and support to live healthy and fit? Do you need a push to try something out of your comfort zone? Or do you just like fitness challenges where you can win some great prizes? Join fellow Woodlanders during the month of April for “Commit2Fit” – (C2Fit). Anyone that lives, plays, or works in Woodland is welcome to participate.

C2Fit is a citywide fitness initiative aimed to increase physical activity and promote a healthy lifestyle. The City and some of its community partners have joined together to motivate our community and create awareness of how living a healthy lifestyle is easy and fun. Sponsors for this program include Yolo County, Dignity Health, Kaia FIT, YMCA, Cross Court Athletic Club, Oasis Club & Spa, Makoto Kai Healing Arts, Woodland Bike Garage, and Woodland Joint Unified School District.

Registration is easy at [www.C2FWoodland.org](http://www.C2FWoodland.org). After registering you will receive a calendar of free exercise events and a fitness log. Simply record the amount of time you spend engaging in physical activity alone or by attending free exercise classes. You will turn in your fitness log at the Raffle Event on Thursday, April 30th, from 5:30-6:30p

at the Woodland Community & Senior Center, 2001 East St. Raffle prizes include fitness trackers, outdoor equipment, gym memberships, and health & fitness related prizes.

For more information visit [www.C2FWoodland.org](http://www.C2FWoodland.org) or call the Community Services Department at (530) 661-2000.
