Recology is committed to creating a world without waste by partnering with communities to recover resources, reduce waste sent to landfills, and sustain the natural environment.

Our investments in renewable fuels, energy efficiency, and advanced collection and processing technologies serve as the foundation for sustainable resource recovery and environmental stewardship.

Sustainability at Recology is comprised of three core principles – Environment, Community, and Culture. Where they intersect you will find Recology working to preserve the natural environment and foster healthy, resilient communities.

**Evan Wish Photography**

"For the last 10 years, I have been honored to photograph countless families, couples, and businesses in Humboldt County. My business model is centered on going the extra mile for my clients. Consistency and predictable quality set the quality of my work apart and make a photography session with me an enjoyable event and an excellent investment. I like to work fast and be light on my feet, catching every moment from a child's smile to the first kiss. With my full-day package, I stay for the entire wedding, regardless of hours, ensuring I'm always there to capture special moments. In the end, the client receives all the best photos from the day fully edited, with no limits on quantity."

# HAPPY DOG

DAYCARE & BOARDING

## Happy Dog was built from the ground up, and is the oldest alternative style of boarding and daycare in Humboldt County.

**Overnight visitors enjoy:**

- Piped in music
- Heated flooring
- Large 5 by 10 kennels
- Night time security and observation set up for their safety, well being, and protection

When it's time to rise and shine, all guests, including those who come for doggy daycare, experience the joy of playing with their friends in one among 7 main play areas, which are divided up based on size, temperament and age.

***State of the art ForeverLawn k-9 grass, which is designed to be comfy and cushiony on all paws, is incorporated throughout the play areas, and is the best doggy turf money can buy.***

We also have snack time for those who have worked up an appetite and may want something to munch on. Doggies who are happily tuckered out from playing hard, can also take a nap, giving them the opportunity to recharge their batteries for more play time.

***Bring your pup to Happy Dog Daycare and Boarding.  
He or she will be happy you did!***

***"Thank you to everyone who voted for us!  
We really appreciate your support!"***
