Dear Chamber Members and Community Leaders

**NEW ORLEANS
CHAMBER**

2021 is leading us to our new normal! From the Chamber's vantage point, we have seen the best of our members and our community as we worked together, supporting and encouraging each other, and sharing talents, resources and information during the pandemic.

The Chamber continues its membership focus creating tools and resources to build business capacity through virtual seminars, networking events and social media updates and alerts. Your suggestions and survey responses helped the Chamber to respond to your real time issues. Your active feedback keeps the Chamber's initiatives relevant, current, and responsive to your professional business needs.

The Chamber's 32 Ambassadors continue to be the fabric that connects, listens to and supports members. Our members consistently comment on how valuable the Ambassadors are to their success. Chamber ambassadors are listed on page 24 of this report. Please thank them for their volunteer efforts.

The Chamber Board of Directors wants to acknowledge and thank our premiere sponsors who are members of the New Orleans Chamber Chairman's Council. The leadership and the financial support of the Chairman's Council are providing the resources to the Chamber to aggressively serve as a responsive advocate for New Orleans businesses. All 44 of our Chairman's Council members are presented on pages 10-11.

We acknowledge, thank and congratulate the Chamber Board of Directors, Executive Committee and staff for their courageous leadership and unwavering support in guiding the Chamber's response to our members during the pandemic. The pandemic initiatives of the Chamber have consistently focused on the needs of the Chamber's 1,200 members. The Chamber's leadership is presented on pages 6-8.

Our primary priority is to support every Chamber member as they move forward from the pandemic to economic recovery and success. Together we will continue to create a dynamic business climate that drives entrepreneurship, business success, talent development and a unique quality of life as a premiere American city.

MEMBERSHIP INDUSTRY BREAKDOWN

Going Above and Beyond in Louisiana.

In 1937, Jones Walker LLP began as a small law firm in New Orleans. We're now one of the largest firms in the US, serving a broad range of industries, including banking, construction, energy, gaming, healthcare, hospitality, manufacturing, and maritime.

While our firm has certainly changed over the years, what hasn't changed is our steadfast commitment to helping clients meet their legal challenges. Perhaps that's why The BTI Consulting Group, which conducts hundreds of in-house counsel interviews to identify the top client service firms in the nation, named Jones Walker to its **2021 Client Service A-Team**.

2020 CHAMBER EVENTS

**NEW ORLEANS
CHAMBER**

Our vision for events was 20/20 in January, then came the pivot to virtual in March and beyond. With in-person and virtual event options, we hosted 75 events reaching over 10,000 attendees! Thank you to our event hosts, partners and attendees (in-person and virtual) for all of your support during this challenging year.

TYPES OF CHAMBER EVENTS

Quarterly Business Luncheons

The New Orleans Chamber's Quarterly Business Luncheons feature keynote speakers that provide the business community with updates and insight on current business and legislative developments. Along with informative programming, these signature events also serve as high-power networking opportunities to connect with local business leaders.

Chamber After 5

The Chamber hosts professional after-hours events once a month for members and future members to network, promote their businesses and forge business relationships among a diverse crowd of professionals. These events draw anywhere from 200 – 500 attendees.

Women's Business Alliance (WBA)

As one of our most popular events, the Women's Business Alliance is the Chamber's monthly women-to-women networking event. This event series brings together business-minded women who not only want to form lasting business relationships, but want to strengthen the

community through mentorship and support of women-owned businesses. Through the relationships made at WBA events, the Power Up: Women's Leadership Conference debuted in 2019 and has had tremendous growth as New Orleans' first collaborative women's conference.

Power Breakfast & Lunch

Power Events are one-hour sessions that allow attendees to perfect their one-minute "business intros" by presenting to a small, focused group of peers.

Educational Seminars/Webinars

The New Orleans Chamber fulfills the educational aspect of our mission by providing valuable seminars and workshops for our members. The Chamber partners with industry-specific organizations and local business groups to provide an excellent resource for businesses to gain knowledge essential for growth and opportunity. With over 20 webinars reaching almost 5,000 attendees, the Chamber's quick pivot to webinars gave us an opportunity to provide timely information to our membership and beyond on small business loans and other Covid-related issues in our business community.

Partnership Events

As an organization that works to build the city of New Orleans, we partner with various local organizations on special projects and events. These partnerships are formed to bring added value to our members and engage with the community.

Ribbon Cuttings

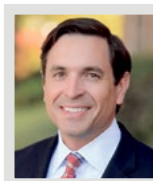

We're here to help! The New Orleans Chamber offers Ribbon Cutting assistance to new and existing members in recognition of business openings and milestones. Chamber staff and ambassadors are on-site to help celebrate the occasion with our "big gold scissors", signature blue ribbon and a special certificate to mark the moment. We invite the community to join us in celebrating our members!

Dine Arouds

A breath a fresh air came to the Chamber's events calendar in the 4th quarter of 2020 as restrictions eased and vaccine accessibility increased. The Dine Around, a curated networking dinner series, emerged to provide small, in person networking opportunities for our members.

2020 CHAMBER EVENTS FIRST QUARTER BUSINESS LUNCHEON

In the midst of the 2020 Mardi Gras season, **Mr. Stephen Waguespack**, *President & CEO of the Louisiana Association of Business and Industry (LABI)*, presented a legislative issues update at the Roosevelt Hotel New Orleans.

VIRTUAL POWER UP: WOMEN'S LEADERSHIP CONFERENCE—AUGUST 3-7, 2020

In March 2019, the New Orleans Chamber partnered with Fidelity Bank P.O.W.E.R. to create the city's first collaborative women's leadership conference. This inaugural event featured 17 women's organizations from across the region as our network partners, 40 sponsors & over 550 attendees. It was an all-day professional development conference with a keynote luncheon & breakout sessions sponsored by our network partners. The 2nd annual conference was originally scheduled for March 19, 2020 but was transformed into a virtual week-long conference in August. Our partners at NOCCI helped us to create a film studio at the Hyatt Regency to live-stream the sessions to our online platform and mobile app. Learn more at PowerUpNola.com.

Thank you to our Premiere Sponsors & Network Partners!

Thank you to our Table Sponsors, Expo Table Sponsors and all attendees for sticking with us through 2020's virtual conference! We're looking forward to seeing you all at future Women's Leadership Conferences!

TESTIMONIALS

NEW ORLEANS
CHAMBER

-George Bone,
Vivid Ink Graphics

"The NO Chamber's creative approach to networking gives me the opportunity to share all the services I provide at Vivid Ink Graphics. Connecting with representatives of different business industries while attending member events continues to be beneficial in new lead referrals, business recommendations, and developing great partnerships with New Orleans area businesses and nonprofits. Online and B2B events have been paramount in increasing my exposure and visibility in our community."

-Kelley Levy, Redfin

"By actively participating in the New Orleans Chamber events, I have made more business connections than I ever would have thought possible. The welcoming, positive environment at

these events takes the pressure off networking, and makes it easier to establish real, candid connections with other professionals who may be your next client."

-Matt Lundy, REI Promo

"I just want to thank and congratulate the Chamber staff for their remarkable reaction to the pandemic. Pivoting quickly to hosting webinars with great information, and also providing invaluable links via email to all the relevant resources available for small businesses, they have made staying informed so much easier. I really appreciate the Chamber being a central outlet for the information that will help us thrive. Thank you!"

"I decided to join the Chamber after attending a Women's Business Alliance Educational Seminar about 'Perfecting Your Pitch.' The event was well organized, the room had lots of energy and I received three networking connections for my business! Since then, the Chamber has pushed me to make positive changes for myself and my business. I have become a Chamber Ambassador and serve on the Board of Directors."

-Shawnfele Green,
Star Automotive LLC

-Ivy Robinson, St. Thomas
Community Health Center

"I have found the New Orleans Chamber community to be the best of both worlds, a lucrative platform with tangible returns and a welcoming circle of friends. During this time of constant change, the Chamber team remains steadfast in their efforts to provide relevant information and opportunities for connection. From Power Lunches and Wednesday Webinars to Virtual Ambassador Meetings, I have strengthened my network beyond expectations and feel genuine support for our business as we find our way forward."

The New Orleans Chamber is pleased to recognize its 5- and 10-year members for 2020 and 2021. Thanks to the support of early members, the Chamber network is 1,200 members strong.
