\$350

Provides a month of financial coaching and stabilization services for a family

Marcus Jr. and his mother, Rebecca

"I never thought we'd be homeless."

We hear these words all the time. It's not something anyone ever thinks will happen to them. Yet seven out of 10 Americans are one paycheck away from losing their housing and a staggering 2.5 million children will experience homelessness this year.

Because we believe we are all in this together, Family Promise of Brevard is committed to creating a world without housing disparity – one **family** at a time.

\$450

Provides a month of shelter, meals, transportation and services for a family

Brevard residents have been a catalyst in the building and growth of this mission, and we couldn't do this without you. We are more committed than ever to the people we serve, and we ask that you again join in this commitment. **Please consider making a gift today to bring life-changing resources to people in desperate need.**
