Prices and Specifications Subject to Change

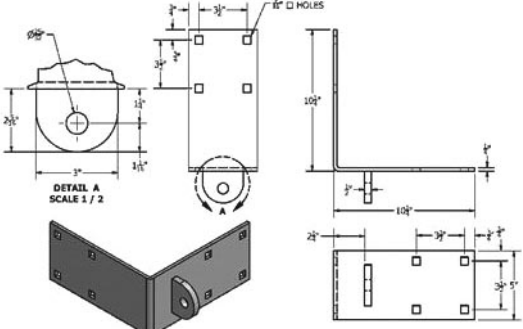

WOOD DOCK HARDWARE

MADE WITH 1/4" HIGH STRENGTH STEEL THEN HOT DIPPED GALVANIZED

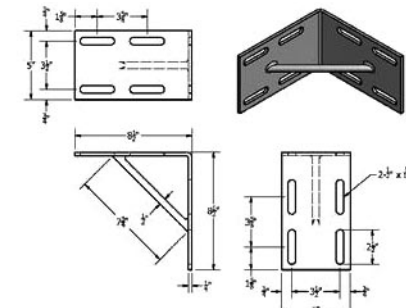

Outside Corner End (H-OCE) is used at the ends of fingers, ends of dock or for swim platforms.

H-OCE Ship#7 \$12.98

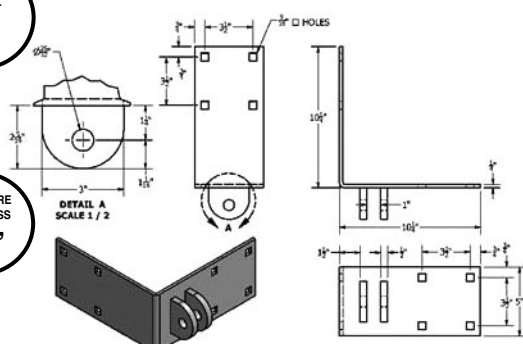

Outside Corner Male (H-OCM) has one 1/2" tab and a hole for a 3/4" bolt or B-PIN. Would be used with an Outside Corner Female (H-OCF) or with a Single "T" Female (H-SF). H-OCM Ship#8 \$18.71

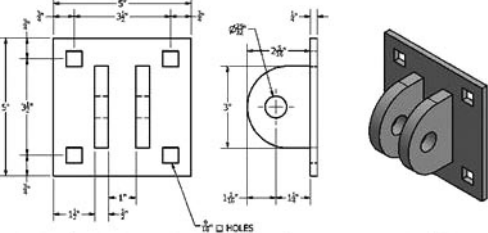

Inside Corner (H-IC) has slots and can be used with 1-1/2" - 3" thick wood. The inside corner sandwiches the wood between the opposite outside corner, keeping bolts from burying themselves in the wood. A corner gusset gives the unit a lot of strength and helps from racking the dock. H-IC Ship#7 \$13.95

HARDWARE HEIGHT
5"

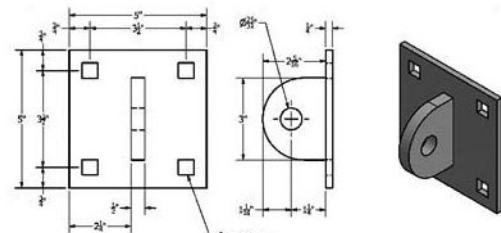

HARDWARE THICKNESS
1/4"

Outside Corner Female (H-OCF) has two 1/2" tabs and a hole for a 3/4" bolt or B-PIN. Would be used with an Outside Corner Male (H-OCM) or with a Single "T" Male (H-SM). H-OCF Ship#9 \$22.23

Single "T" Female (H-SF) has two 1/2" tabs and is used with an Outside Corner Male (H-OCM) or a Single "T" Male (H-SM). Both male and female singles can be bolted to the side of a dock to make finger attachments. They can also be bolted to seawalls to make ramps. H-SF Ship#4 \$13.04

Single "T" Male (H-SM) has one 1/2" tab and is used with an Outside Corner Female (H-OCF) or Single "T" Female (H-SF). H-SM Ship#3 \$9.22

WOOD DOCK HARDWARE

Merco Marine is a manufacturer of boat dock building components and accessories. We were established in 1979. Everything we manufacture is made in the United States, with US Steel, and US workers.

The products shown here are only a small portion of the over 2000 items that we manufacture and keep in inventory for boat dock building and marinas.

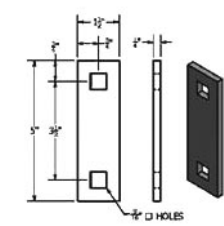

For a complete list of our products check us out on the web at www.mercoboatdocks.com or give us a call at 304-737-3006. You can also request a free copy of our 65 page catalog.

Merco Marine can provide simple parts and pieces for your small pond or lake dock to build on site, or we can build entire marinas from start to finish.

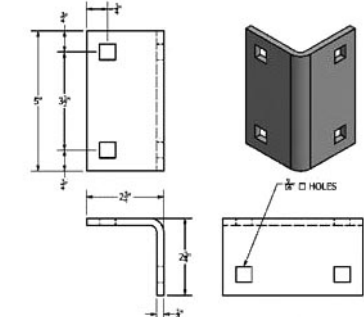

WOOD DOCK HARDWARE WWW.MERCOMARINE.COM 1-304-737-3006

WOOD DOCK HARDWARE

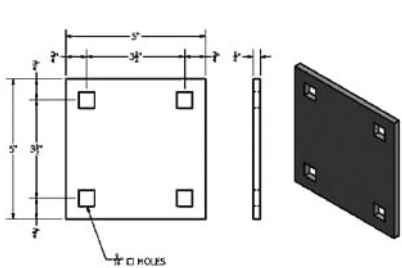

MADE WITH 1/4" HIGH STRENGTH STEEL THEN HOT DIPPED GALVANIZED

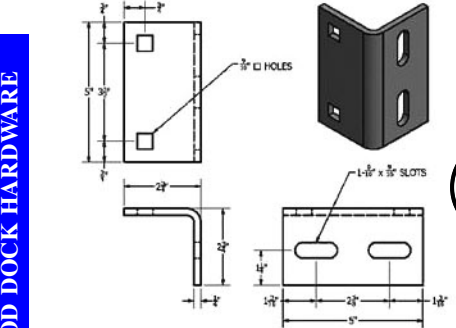

Washer Plates (H-W) are used mostly with Angles (H-A) and Cleat Angles (H-CA). The square hole in the plate keeps the carriage bolts from turning when the bolts are tightened. H-W Ship#1 \$1.24

Angles (H-A) used to hold all cross stringers to side stringers using a Washer Plate (H-W). The wood is sandwiched between the steel and creates a solid corner. H-A Ship#2 \$3.45

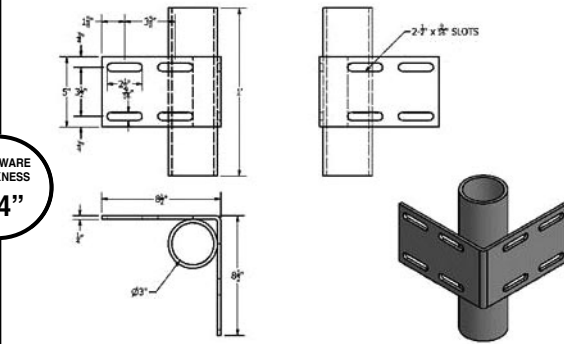

Backup Plates (H-B) are used with Single "T" Males (H-SM) and Single "T" Females (H-SF) for additional strength and to keep bolts from pulling through the wood. H-B Ship#2 \$3.30

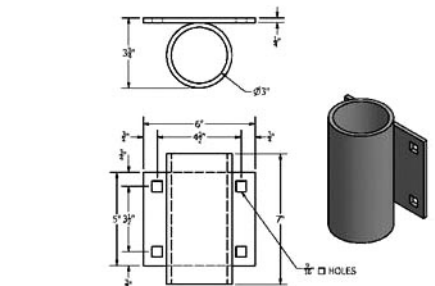

Cleat Angles (H-CA) have slots for various sizes of cleats. The cleat angle is bolted to the side stringer using a Washer Plate (H-W). The cleat is then bolted through the deck into the cleat angle. This keeps the cleat from pulling out of the deck. H-CA Ship#2 \$4.88

HARDWARE THICKNESS
1/4"

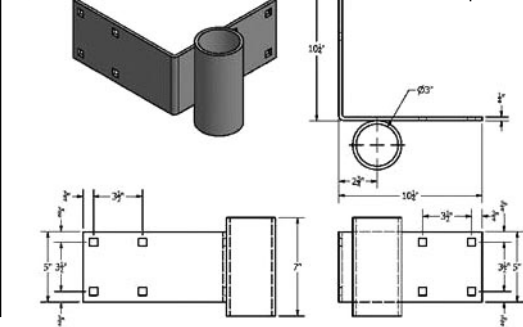

Inside Corners/3" I.D. Pipe Holder (H-IC3) has a 3" I.D. pipe holder welded in place. It can be used to replace a regular inside corner. It will accommodate a 2" I.D. pipe. H-IC3 Ship#13 \$26.31

3" Pipe Holder (P-3) can bolt to the side stringer and uses 2" standard pipe to anchor docks in place. P-3 Ship# 6 \$16.41

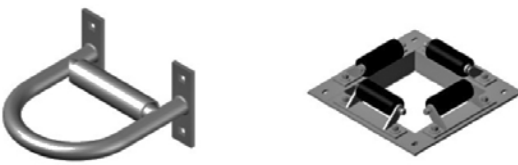

3" Pipe Holder (H-OCEP3) outside corner end with a pipe holder welded to the end. 3" opening for 2" pipe. Save money by getting 2 pieces of hardware in one. H-OCEP3 Ship#11 \$23.19

WOOD DOCK HARDWARE

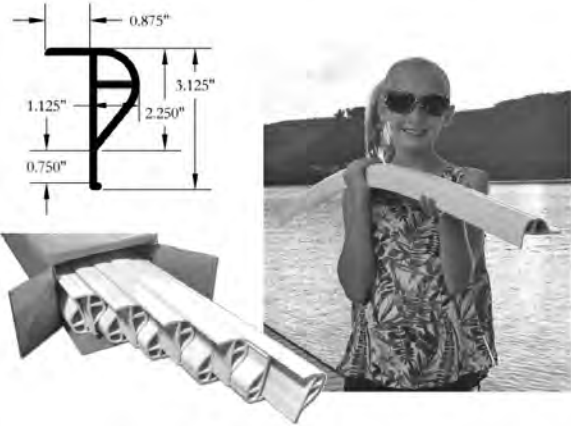

We also stock

PHASOR

M A R I N E

Powered By Kubota

Phasor Marine, has begun delivering EPA Tier IV compliant marine generators. These machines are not utilizing EPA flex credit engines as are other marine generator manufacturers, which is illegal. The Kubota diesel engines utilized by **Phasor** are either Tier IV Final or EPA Tier IV Marine Certified up to and including the K4-30.0 kw model. All standard machines continue to utilize the Kubota or John Deere diesel engines coupled to the electrical ends. These engines approved for use with Bio-Diesel B5. New for the 2014 model year are two Ignition Protection Certified models rated at 4.5 kw and 7.0 kw operating at 1800 rpm. These machines are certified for use in gasoline powered boats. All **Phasor's** continue to offer a 5 year limited warranty.

K3 - 9.5 KW

Kubota

Hull Finishers & Boatyards for over 20 years

800-333-0314

Questions to ask before ordering your sectional barge:

1. Will my barge be designed by experienced engineers?
2. Will my barge be built to my exact requirements?
3. Will my complete satisfaction be guaranteed?

If it's important that the answer to these questions is "YES", then contact us at:

RPS Barge Co.

Built to your requirements.
Built to last. Guaranteed.

ELLICOTT 20" DREDGE FOR SALE

FOR INFORMATION CALL BEN GOODLOE (813) 355-7494

Series 2070 Dragon® Dredge

20" x 20" (500 mm x 500 mm) Hydraulic Cutter Suction Dredge

**The Series 2070 Dragon® cutterhead dredge is both portable and truckable to inland locations.
In addition, the dredge is capable of dredging up to 50' (15m).**

Features Include:

- Most modern 20" dredge design in the world that incorporates Ellicott's world-renowned design techniques.
- The 2070 is able to dredge up to 50' (15m) depth, allowing it to work in major shipping channels.
- Hydraulic system was designed with a focus on efficiency resulting in lower fuel consumption and higher dredging systems performance.
- Two separate engines that operate independently to drive the pump and hydraulic system. This allows full hydraulic power to the cutter and winches even when RPMs are reduced on the pump - something single engines cannot do.
- Designed to Bureau of Veritas (B.V.) Sheltered Water Rules and is suitable for a variety of applications including harbors, rivers and sand mining projects.

AVAILABLE FOR SALE OR HIRE

2000 HP, 146 GRT, 90' x 28' x 10', Model Bow Canal-Style Tug With Retractable Pilothouse & Masts. Located: Great Lakes (L. Mich.)

Ready To Work And Work HARD!

Fresh COI issued 11/20 for both Great Lakes and coastal. Main has less than 1600 hrs since factory rebuild. Silencer issue finally located & fixed. Tug is very well maintained. Regular dry-dockings & repair at Feeney's. Solid hull; No worries in ice. Bulwarks & 360-degree heavy duty airliner tires (fendering) replaced in recent years. Designed for Seaway Transit Approval. FAR too many positives to list here! Current survey available. We spent 2020 full time refurbishing this tug from stern to stern. Must see to truly appreciate. Serious buyers, come take her for a spin. As Chief on this tug, for the last 4 years, I can confidentially offer to deliver this tug ANYWHERE IN THE WORLD! Comes loaded with Spares & Provisions. If it's not onboard, you don't need it. Asking \$320K OBO. Partial trades considered.

1 Inch

1. Printing process: Web offset.
2. Binding method: Saddle stitched.
3. Trim Size 10 1/4" wide by 17" deep.
4. 4 column page format.
5. Width of single column: 2 1/4" (14 picas)
Width of two columns: 4 3/4" (28 1/2 picas).
Width of three columns: 7 1/4" (43 picas).
Width of four columns: 9 3/4" (57 1/2 picas).
6. Depth of column: 16 1/4".
7. Minimum size space unit; one column in. (2 1/4" W x 1" D).
8. All display ads must be full inches (no fractions).
9. Ad must be as many inches in depth as it is columns wide.
10. Publisher accepts: PDF files are preferable in our pre-press workflow.
PDF files should be in CMYK color space, contain high-resolution CMYK graphic elements (or Grayscale for Black and White graphic elements) and have all fonts embedded. Publisher also accepts files in Quark XPress 5.
When sending files of this kind, please remember to include all supporting fonts and graphics.
11. Black and white halftones: 80 to 100 line screen.
12. For best quality, submit clear sharp photos.
13. Page number or position on a page not guaranteed.
14. Contract advertisers are entitled to one complete change of copy every three issues. When change of copy is not received by closing date, copy run in previous issue will be inserted.
15. The publisher assumes no liability if for any reason it becomes necessary to omit any advertisement.
16. No cancellations or changes in orders will be accepted after closing date.

TERMS

1. Payment in advance unless credit is established. 2 percent discount with payment within 10 days of date of invoice. Net 30 days.
2. Agency Commissions: 15 percent allowed when computer ready copy covering entire advertisement is furnished. There will be charges made for typesetting and composition.

GENERAL RATE POLICY

Short Term Rate Applicable If Contract Is Cancelled.
Proper Notification will be given of all rate changes. Space orders may be cancelled at the time the change in rate becomes effective without incurring a short rate adjustment, provided the billing rate has been earned up to day of cancellation.
We Reserve The Right To Reject Any or All Advertising.

ETERNITY \$3,695,000 reduced to \$2,495,000

The Eternity, U.S. Coast Guard certified, will accommodate up to 300 guests and comes equipped with all safety features required by law. Spacious Eternity, the largest yacht in our fleet, is magnificent at 136 feet long and 32 feet wide. This yacht is an impressive venue with (3) interior decks and a 4th top level exterior sky deck. Custom designed, she accommodates grand events with unparalleled views of any harbor. Eternity includes a custom, spacious, chef's galley fully equipped with every luxury. Interior decks come complete with an elaborate modern full-service hosted bar. We are pleased to note that the Eternity is the first wheelchair accessible, ADA-approved vessel in Southern California with a mobile lift for boarding and an elevator to all 3 interior decks

Electracruises.com

The Destiny, U.S. Coast Guard certified, will accommodate up to 150 guests and comes equipped with all safety features required by law. Destiny is a stunning 125 feet long and 25 feet wide. This yacht is equipped with three decks for entertaining. The large open-air sky deck has ample cocktail seating in contemporary aluminum with excellent views of the harbor. Destiny holds the ultimate catering galley, including sterling silver chafers, platinum rimmed china and linens. Both indoor decks come equipped with an elaborate modern full-service bar area.

1978/2015 SWIFTSIPS

100 PASSENGER VESSEL

Baysmart Express | \$2,499,000 • Offers Encouraged

Dimensions - Length: 100' (30.48M) • Beam: 19' 6" (5M) • Engine Hours: 677 • Horsepower: 1,530 • "Baysmart Express" is a one-of-a-kind Custom Training Vessel in outstanding condition. She began as a 1978 Swift Ships Crew Boat that was fully converted in 2015 to a passenger vessel for a Maritime Academy. Just under 9 million was invested in her full restoration & it shows throughout. This is a once-in-a-lifetime opportunity to acquire a very special & one-of-a-kind vessel. Current Inspections & COI's, 97 Passengers/104 Persons Bays, Lakes & Sounds, Sleeping Accommodations for 20 Passengers & 4 Crew, 6 Heads, Handicap Accessible, Commercial Kitchen, 3200 Gallons of Fuel, 1500 Gallons of Potable Water, Hydraulic Bow Thruster, Wing Helm Station Port Side, Under 700 HRS on Caterpillar C-18's, (2) Kohler 55KW Generators Powered by John Deere FWC (under 850Hrs), Reverse Osmosis Desalinator, Beautiful & very well maintained. Please reach out for 3D Walk Thru of the entire vessel. Dimensions: Length: 100' (30.48M), Beam: 19' 6" (5M), Engine Hours: 677, Horsepower: 1,530

The United States Coast Guard database shows this vessel has held a COI since 2015. The vessel shows it is current on its COI through 07/20/2025. Beautiful & very well maintained. Please reach out for 3D Walk Thru of the entire vessel.

Please Call Cory Webster (281) 636-2228

Most items are shipped within 24 hours. We offer shipping by Fed-Ex,
US Postal Service, Motor Freight, Greyhound Package Express or Will Call.
Easy payment options including: Visa, Mastercard, American Express, Discover,
C.O.D. or 30 day invoicing with approved credit.

Modular Plastic Pontoon

The Best Idea Since the Indian Canoe

36 and 24-inch Diameter Sizes

Wilson pontoons are used for pontoon boats, houseboats, barges, work boats, party boats, pumping stations—they're perfect for any application that uses pontoons.

- Molded from sturdy, medium density polyethylene (MDPE)
- **Heavy-Duty:** filled with closed cell polyurethane foam
- **Modular:** separate bow, middle, and stern modules allow for configurations of the most popular application sizes
- **Maintenance Free:** bottom painting recommended if left in saltwater full time. Otherwise, just pressure wash to clean.
- UV protected
